

Oryx Chassis - Sportsman - Tikka T1X - SA - RH - Oryx Chassis - Sportsman - Tikka T1X - RH - ODG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

Oryx Chassis Sportsman Tikka T1X SA RH Safety Instructions

Introduction

Thank you for choosing the Oryx Chassis Sportsman Tikka T1X. This product is designed to enhance your shooting experience while ensuring your safety and the safety of others. Please read this safety instruction guide carefully before using the chassis. It contains important information regarding safe usage, installation, and maintenance.

General Safety Guidelines

- Always treat your firearm and chassis as if they are loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the chassis and firearm securely when not in use.
- Ensure that all users of the chassis are properly trained in firearm safety.
- Regularly inspect the chassis for any signs of damage or wear.
- Do not exceed the maximum load specifications for your chassis.
- Keep your hands and other body parts clear of any moving parts during operation.

Specific Safety Precautions for Use

- **Proper Fit:** Ensure that the adjustable buttstock is properly fitted to your body to maintain control and accuracy.
- **Grip Attachment:** Use only compatible AR15 grips and MLoc accessories to avoid compromising safety and performance.
- **Shooting Environment:** Always shoot in a safe and controlled environment, preferably at a designated shooting range.
- **Hunting Precautions:** When using the chassis for hunting, be aware of your surroundings and ensure that you have a clear line of sight before firing.
- **Child Safety:** Keep the chassis and any associated equipment out of reach of children. This product is not intended for use by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

Installation

1. **Prepare the Workspace:** Ensure your workspace is clean and free from obstructions. Have all necessary tools ready.
2. **Remove Existing Stock:** Carefully detach the factory stock from your Tikka T1X rifle according to the manufacturer's instructions.
3. **Attach the Oryx Chassis:**
 - Align the chassis with the receiver of the rifle.
 - Securely fasten the chassis using the provided screws and tools.
4. **Install Accessories:** Attach any AR15 grips or MLoc accessories as desired, ensuring they are securely fastened.
5. **Adjust the Buttstock:** Adjust the buttstock to fit your shoulder for optimal comfort and control.

Usage

- Before each use, check to ensure that the chassis is securely attached to the rifle.
- Familiarize yourself with the adjustments available on the chassis, including the buttstock and forend.
- Practice proper shooting stance and grip when using the chassis to enhance accuracy.
- Always follow local laws and regulations regarding firearm usage and hunting.

Disposal Instructions

- Dispose of the chassis in accordance with local regulations regarding metal recycling.
- Ensure that any components that are no longer usable are disposed of safely to prevent injury or environmental harm.

Contact Information for Further Support

For any questions or concerns regarding the Oryx Chassis Sportsman Tikka T1X, please refer to the manufacturer's website or customer service for assistance. It is important to have access to support in case of any safety inquiries or product issues.

Conclusion

The Oryx Chassis Sportsman Tikka T1X is designed to provide an enhanced shooting experience while prioritizing safety. By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your new chassis. Always prioritize safety, and do not hesitate to seek assistance if needed.
