The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

Oryx Chassis Sportsman Remington700 LA RH

Safety Instruction Guide

Introduction

Thank you for choosing the Oryx Chassis Sportsman for your Remington 700 rifle. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new chassis. Please read this document carefully before installation and use.

General Safety Guidelines

- Always handle your firearm responsibly and in accordance with local laws and regulations.
- Ensure that the chassis is compatible with your specific model of Remington 700.
- Inspect the chassis before each use for any signs of damage or wear.
- Store the chassis in a safe and secure location when not in use.
- Keep the chassis out of reach of children and unauthorized users.
- Regularly check for updates or recalls regarding the chassis on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before attaching or detaching the chassis.
- Use only compatible accessories, such as AR15 grips and MLoc attachments, as specified in the product description.
- Do not modify the chassis or attempt to repair it yourself, as this may compromise safety.
- When using the chassis for shooting, always wear appropriate safety gear, including eye and ear protection.
- Be aware of your surroundings and ensure that you have a safe backstop when shooting.
- Follow all manufacturer guidelines for the use of the chassis and accessories.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your workspace is clean and free of distractions.
- Gather all necessary tools and accessories before beginning installation.

2. Installation:

- Remove the rifle from its factory stock according to the manufacturer's instructions.
- Align the Remington 700 action with the Vshaped bedding of the Oryx chassis.
- Secure the action in place using the provided screws, tightening them evenly to ensure a snug fit.
- Attach the adjustable buttstock to the chassis, adjusting it to your preferred length of pull.

3. Usage:

- Once installed, familiarize yourself with the chassis features, including the adjustable buttstock and grip options.
- Adjust the buttstock to achieve a comfortable and stable shooting position.
- When ready to shoot, ensure that the rifle is properly sighted in and that you have a clear line of sight to your target.

4. PostUse Care:

- After use, clean the chassis according to the manufacturer's recommendations.
- Store the chassis in a safe location, ensuring that it is not exposed to moisture or extreme temperatures.

Disposal Instructions

- Dispose of the chassis and any associated materials in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.
- Check for recycling options or designated disposal sites for firearms accessories.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the Oryx Chassis, please refer to the manufacturer's website or customer service for guidance. Always prioritize safety and adhere to the provided instructions for optimal performance and protection.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Oryx Chassis Sportsman. Thank you for your attention to safety.
