

# Oryx Chassis - Sportsman - CZ 455 - RH - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

# Oryx Chassis Sportsman CZ 455 RH Safety Instruction Guide

## Introduction

Thank you for choosing the Oryx Chassis Sportsman CZ 455 RH. This guide provides essential safety instructions to ensure the safe and effective use of your chassis. Please read this guide thoroughly before installation and usage.

## General Safety Guidelines

- Ensure that the chassis is used only with compatible rifles to avoid potential hazards.
- Always follow the manufacturer's instructions and guidelines for your rifle.
- Store the chassis in a secure location, away from children and unauthorized users.
- Inspect the chassis regularly for any signs of wear or damage before each use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about any recalls or safety notices through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always handle the chassis with care to prevent injury.
- Do not modify the chassis or use it in a manner not intended by the manufacturer.
- Ensure that the rifle is unloaded when attaching or detaching the chassis.
- Use the adjustable buttstock to achieve a proper fit for your body type to enhance safety and performance.
- When using the chassis for shooting, always wear appropriate safety gear, including eye and ear protection.
- Be aware of your surroundings and ensure that you are in a safe location when using the chassis for shooting.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that your rifle is unloaded and pointed in a safe direction.
- Remove the factory stock from your CZ 455 rifle by following the manufacturer's instructions.
- Align the Oryx chassis with the rifle's action and secure it using the provided screws. Ensure that all screws are tightened to the recommended torque specifications.
- Attach the adjustable buttstock to the chassis, adjusting it to fit your preference.
- Install any accessories, such as AR15 grips or M Lok accessories, as desired.

### 2. Usage

- Before using the chassis, ensure that you have a proper sight picture and a stable shooting position.
- Adjust the buttstock and forend to ensure a comfortable grip and optimal control.
- Always check your ammunition and ensure that it is suitable for your rifle.
- Maintain a safe distance from others while shooting, and follow all local laws and regulations regarding firearm usage.

## **Disposal Instructions**

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the chassis becomes damaged beyond repair, check with local authorities for proper disposal methods for aluminum and other materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the Oryx Chassis Sportsman CZ 455 RH, please refer to the manufacturer's contact information provided with your product.

Thank you for prioritizing safety while using your Oryx Chassis. Enjoy your shooting experience!
