

Oryx Chassis - Sportsman - CZ 455 - RH - Oryx Chassis - Sportsman - CZ 455 - RH - ODG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

Oryx Chassis Sportsman CZ 455 RH Safety Instruction Guide

Introduction

Thank you for choosing the Oryx Chassis Sportsman CZ 455 RH. This guide provides essential safety instructions to ensure the safe and effective use of your new chassis. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Always treat your rifle as if it is loaded, even if you believe it is not.
- Ensure that the chassis is compatible with your specific rifle model (CZ 455).
- Regularly inspect your chassis for any signs of wear or damage before use.
- Store your chassis and rifle in a secure location to prevent unauthorized access.
- Keep the chassis and rifle out of reach of children and vulnerable individuals.
- Use appropriate protective gear, including eye and ear protection, when using your rifle.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- Ensure that the adjustable buttstock is securely locked in place before use.
- Only use AR15 grips and MLoc accessories that are compatible with the chassis.
- Avoid using the chassis in extreme conditions (e.g., heavy rain, snow, or extreme temperatures) that may affect performance.
- Do not modify the chassis beyond the manufacturer's specifications.
- Always follow the manufacturer's instructions for the installation of accessories and attachments.
- If you experience any malfunctions or issues with the chassis, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. Prepare Your Workspace

- Choose a clean, dry, and welllit area to assemble your chassis.
- Gather necessary tools, including a screwdriver and any required hardware.

2. Remove the Factory Stock

- Ensure the rifle is unloaded and pointed in a safe direction.
- Follow the manufacturer's instructions to remove the factory stock from the CZ 455.

3. Install the Oryx Chassis

- Align the rifle action with the Vshaped bedding of the Oryx chassis.
- Secure the action using the provided screws, ensuring they are tightened to the recommended torque specifications.
- Attach the adjustable buttstock and ensure it is locked in place.

4. Attach Accessories

- Install AR15 grips and MLoc accessories as desired, following the manufacturer's guidelines for

compatibility and installation.

5. Final Inspection

- Check all screws and attachments to ensure they are secure.
- Perform a visual inspection of the chassis to ensure there are no obstructions.

Usage

- When preparing to shoot, ensure you have a proper shooting stance and grip on the chassis.
- Adjust the buttstock to fit your shoulder comfortably for better accuracy and control.
- Always verify that the rifle is pointed in a safe direction before loading and firing.
- Maintain focus on your target and be aware of your surroundings at all times.

Disposal Instructions

- Dispose of the chassis in accordance with local regulations regarding electronic waste and metal recycling.
- If the chassis is damaged beyond repair, consult with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Oryx Chassis Sportsman CZ 455 RH, please refer to the manufacturer's website or customer service for assistance. It is important to have a support contact available for safety inquiries and product recalls.

Thank you for prioritizing safety and responsible usage with your Oryx Chassis. Enjoy your shooting experience!
