

Oryx Chassis - Sportsman - Remington700 - SA - RH - GRY

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

Oryx Chassis Sportsman Remington700 SA RH

Safety Instruction Guide

Introduction

Thank you for choosing the Oryx Chassis Sportsman Remington700 SA RH. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your chassis. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the chassis is compatible with your rifle model.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Check for any visible damage to the chassis before use. Do not use if damaged.
- Keep the chassis out of reach of children and unauthorized users.
- Store the chassis in a secure location when not in use.
- Regularly inspect the chassis for wear and tear.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using your rifle.
- Ensure that the rifle is unloaded before attaching or detaching the chassis.
- Do not modify the chassis in any way that may compromise its structural integrity.
- Use only AR15 grips, ARCA rails, and MLoc accessories that are compatible with the chassis.
- Avoid using the chassis in extreme weather conditions that may affect performance.
- If you experience any discomfort while using the chassis, stop using it immediately and assess the situation.

Instructions for Installation and Usage

1. Installation

- Ensure that your rifle is unloaded and pointed in a safe direction.
- Remove the factory stock from your Remington 700 by following the manufacturer's instructions.
- Align the Oryx Chassis with the action of the rifle.
- Secure the chassis to the rifle action using the provided screws, ensuring they are tightened to the manufacturer's specifications.
- Attach the adjustable buttstock according to the instructions provided with the chassis.
- Install AR15 grips and any MLoc accessories as desired.

2. Usage

- Before taking aim, ensure that the rifle is pointed in a safe direction.
- Adjust the buttstock to fit your shoulder comfortably for optimal accuracy and speed.
- Take your time to acquire a proper sight picture before firing.
- Practice safe shooting habits and be aware of your surroundings at all times.

Disposal Instructions

- Dispose of the chassis in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.
- Check with local authorities for designated disposal sites for metal and aluminum products.

Contact Information for Further Support

For any questions or concerns regarding the Oryx Chassis, please refer to the manufacturer's website or customer support resources. It is important to have access to assistance for any safety inquiries or productrelated issues.

By following these guidelines, you can ensure a safe and enjoyable experience with your Oryx Chassis. Thank you for your attention to safety, and happy shooting!
