

Oryx Chassis - Sportsman - Howa 1500 - SA - RH - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

Oryx Chassis Sportsman Howa 1500 SA RH Safety Instructions

Introduction

Thank you for choosing the Oryx Chassis Sportsman Howa 1500 SA RH. This chassis is designed to enhance your shooting experience by providing improved accuracy and ergonomics. To ensure safe usage and maximize the performance of your product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Always point the firearm in a safe direction.
- Ensure that the area is clear of people and obstacles before shooting.
- Store the chassis and firearm securely when not in use.
- Regularly inspect the chassis for any signs of wear or damage.
- Use only compatible accessories and components as specified by the manufacturer.
- Follow all local laws and regulations regarding firearm use and safety.

Specific Safety Precautions for Use

- Ensure that the chassis is securely attached to the firearm before use.
- Do not modify the chassis or firearm without consulting a qualified gunsmith.
- Be aware of your surroundings and ensure you have a clear line of sight when shooting.
- Use appropriate eye and ear protection while shooting.
- Ensure that the adjustable buttstock is properly fitted to your shoulder to avoid discomfort or injury.
- Do not exceed the manufacturer's specifications for weight or accessories added to the chassis.
- Keep the chassis clean and free from debris to maintain optimal performance.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the factory stock from the Howa 1500 rifle according to the manufacturer's instructions.
- Align the Oryx Chassis with the action of the rifle and secure it using the provided hardware.
- Tighten all screws to the manufacturer's recommended torque specifications.

2. Usage

- Adjust the buttstock to fit your shoulder comfortably.
- Attach AR15 grips and MLoc accessories as needed for your shooting style.
- Familiarize yourself with the balance and feel of the chassis before engaging in shooting activities.
- Practice proper shooting techniques to ensure safety and accuracy.

Disposal Instructions

- Dispose of the chassis in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.
- Consider recycling options for aluminum components where available.

Contact Information for Further Support

For any safety inquiries or support regarding the Oryx Chassis Sportsman Howa 1500 SA RH, please contact the manufacturer or your local retailer. Ensure you have your product details ready for assistance.

By following these safety instructions, you can enjoy the enhanced performance of your Oryx Chassis while ensuring a safe shooting experience. Thank you for prioritizing safety in your shooting activities.
