

Oryx Chassis - Sportsman - Howa 1500 - SA - RH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

Oryx Chassis Sportsman Howa 1500 SA RH FDE

Safety Instruction Guide

Introduction

Thank you for choosing the Oryx Chassis Sportsman Howa 1500 SA RH FDE. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Always handle your rifle and chassis with care, treating it as if it is loaded.
- Ensure you are familiar with the operation of your rifle and the Oryx Chassis before use.
- Keep the chassis and rifle out of reach of children and unauthorized individuals.
- Inspect the chassis regularly for any signs of wear or damage.
- Always use the chassis in a safe environment, free from distractions and hazards.
- Follow all local laws and regulations regarding the use of firearms and shooting equipment.

Specific Safety Precautions for Use

- Before use, ensure that the chassis is properly secured to your rifle.
- Confirm that all components, including the buttstock and grips, are correctly installed and functioning.
- When adjusting the buttstock, make sure to do so while the rifle is pointed in a safe direction.
- Avoid using the chassis with incompatible accessories that may compromise safety or performance.
- When shooting, always wear appropriate safety gear, including eye and ear protection.
- Be aware of your surroundings and ensure that you have a clear and safe shooting area.

Instructions for Installation and Usage

1. Installation of the Chassis:

- Place your rifle on a stable work surface.
- Remove the existing stock from your rifle according to the manufacturer's instructions.
- Align the rifle action with the Vshaped bedding of the Oryx Chassis.
- Secure the action to the chassis using the provided screws and tools, ensuring a tight fit.
- Attach the adjustable buttstock to the rear of the chassis, adjusting it to your preferred length.

2. Usage:

- After installation, check that all components are secure before taking your rifle to the range.
- Adjust the buttstock to fit your shoulder comfortably for optimal accuracy.
- Attach your preferred AR15 grip and any MLoc accessories as needed.
- When preparing to shoot, take a stable stance and ensure your sight picture is aligned before firing.

3. PostUse:

- After use, clean your chassis and rifle according to the manufacturer's recommendations.
- Store the chassis and rifle in a secure location, preferably in a locked cabinet or safe.

Disposal Instructions

- When disposing of the chassis or any associated components, follow local regulations regarding the disposal of firearms and related materials.
- If the chassis is damaged beyond repair, consider recycling the aluminum components where possible.
- Never dispose of firearms or shooting equipment in general waste.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the Oryx Chassis Sportsman Howa 1500 SA RH FDE, please consult the manufacturer's customer service or refer to the official website for additional resources.

Thank you for prioritizing safety and responsible use. Enjoy your shooting experience with the Oryx Chassis!
