

# Oryx Chassis - Sportsman - Howa 1500 - SA - RH - Oryx Chassis - Sportsman - Howa 1500 - SA - RH - ODG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

# Oryx Chassis Sportsman Howa 1500 SA RH Safety Instruction Guide

## Introduction

Thank you for choosing the Oryx Chassis Sportsman Howa 1500 SA RH. This product is designed to enhance your shooting experience by providing improved accuracy and ergonomics. To ensure safe use and maximize the benefits of your new chassis, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that you are familiar with local laws and regulations regarding firearms and chassis usage.
- Use this chassis only with compatible firearms. Incompatible use may result in injury or damage.
- Inspect the chassis and your firearm regularly for any signs of wear or damage.
- Store your chassis and firearm securely to prevent unauthorized access, especially by children.
- When transporting your chassis, ensure it is secured and protected from damage.

## Specific Safety Precautions for Use

- Before using the chassis, ensure that your firearm is unloaded.
- Always wear appropriate eye and ear protection when shooting.
- Do not modify the chassis or your firearm in any way that could affect safety or performance.
- Be aware of your surroundings and ensure that you have a clear and safe shooting area.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the factory stock from your Howa 1500 rifle according to the manufacturer's instructions.
- Align the action of the rifle with the Vshaped bedding of the Oryx chassis.
- Secure the action in place using the provided screws and tools. Ensure all screws are tightened to the manufacturer's specifications.
- Attach the adjustable buttstock according to the instructions provided with the chassis.
- Install your preferred AR15 grip and any other accessories (ARCA rails, MLoc accessories) as desired.

### 2. Usage:

- Adjust the buttstock to fit your shoulder for optimal comfort and accuracy.
- Ensure that the forend is free floated and not touching the barrel.
- When ready to shoot, take a stable shooting position and align your sight picture.
- Maintain control of your firearm at all times and follow all standard safety protocols.

## Disposal Instructions

- Dispose of the chassis in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.
- Consider recycling options for aluminum components if available in your area.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding your Oryx Chassis, please refer to the manufacturer's contact information provided on the packaging or in the product manual.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Oryx Chassis Sportsman Howa 1500 SA RH. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important safety measures.
