

# Oryx Chassis - Sportsman - Remington 783 - SA - RH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

## FDE Safety Instruction Guide

### Introduction

Thank you for choosing the Oryx Chassis Sportsman for your Remington 783 rifle. This guide provides essential safety instructions to ensure safe usage and optimal performance of your chassis. Please read this manual carefully before installation and use.

### General Safety Guidelines

- **Product Safety:** Ensure safe handling of the chassis and associated components. Follow all guidelines to avoid accidents and injuries.
- **Enhanced Recalls:** Stay informed about any product recalls. Check the EU Safety Gate platform for updates regarding safety notices.
- **Online Shopping:** If purchased online, ensure the seller meets the safety requirements outlined by EU regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries, reach out to a designated EU contact point.
- **Rapid Alerts:** Be aware that updates on unsafe products will be communicated through the Safety Gate system.

### Specific Safety Precautions for Use

- **Read the Manual:** Always read and understand this safety instruction guide before using the chassis.
- **Proper Handling:** Handle the chassis with care to avoid dropping or damaging it.
- **Check Compatibility:** Ensure the chassis is compatible with your Remington 783 model before installation.
- **Use Appropriate Accessories:** Only use AR15 grips, ARCA rails, and MLoc accessories that are designed for this chassis.
- **Inspect Before Use:** Regularly inspect the chassis for signs of wear, damage, or loose components before each use.
- **Safe Shooting Practices:** Always follow safe shooting practices when using the chassis with your rifle. Ensure a clear line of sight and a safe shooting environment.

### Instructions for Installation and Usage

#### Installation Instructions

1. **Prepare Your Workspace:** Ensure you have a clean, well-lit workspace free of distractions.
2. **Gather Tools:** Have the necessary tools ready, including a screwdriver and any specific tools required for your accessories.
3. **Remove Factory Stock:** Carefully remove the factory stock from your Remington 783 according to the manufacturer's instructions.
4. **Install the Chassis:**
  - Align the chassis with the action of the rifle.
  - Securely attach the chassis using the provided screws and follow the torque specifications.
5. **Attach Accessories:**
  - Install AR15 grips and any other accessories as per the manufacturer's guidelines.
  - Ensure all components are tightly secured.

## Usage Instructions

- **Adjust the Buttstock:** Tailor the adjustable buttstock for a comfortable fit to enhance accuracy and speed.
- **Sighting In:** When behind the scope, ensure a solid connection between you and the rifle for improved accuracy.
- **Practice Regularly:** Familiarize yourself with the chassis and practice regularly to improve your shooting skills.

## Disposal Instructions

- **Environmental Responsibility:** Dispose of the chassis in accordance with local regulations regarding metal and plastic waste.
- **Recycling:** If possible, recycle the chassis materials to minimize environmental impact.

## Contact Information for Further Support

For further assistance or inquiries regarding safety and usage, please contact the designated support service or visit the official website of the manufacturer.
