The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

Oryx Chassis Sportsman Remington 783 SA RH

Safety Instructions

Introduction

Thank you for choosing the Oryx Chassis Sportsman for your Remington 783 rifle. This chassis is designed to enhance your shooting experience by improving accuracy and ergonomics. To ensure your safety and the safe use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Be aware of your surroundings and what is beyond your target.
- Ensure that the chassis is securely mounted to your rifle before use.
- Regularly inspect the chassis and all components for wear and damage.
- Store your chassis and firearm in a secure location, away from unauthorized users, especially children.
- Always use appropriate eye and ear protection when shooting.
- Follow all local laws and regulations regarding firearm usage and modifications.

Specific Safety Precautions for Use

- Ensure that the chassis is compatible with your Remington 783 model before installation.
- Do not exceed the manufacturer's recommended weight limit for accessories mounted on the chassis.
- Verify that all screws and fittings are tightened properly before use to prevent any accidental disassembly.
- Avoid using the chassis in extreme weather conditions that could affect its performance or integrity.
- Be cautious when using MLoc accessories, ensuring they are installed correctly to prevent detachment during use.
- If you notice any unusual sounds or behaviors while using the chassis, cease use immediately and inspect for issues.

Instructions for Installation and Usage

1. Installation of the Chassis

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove the factory stock from the Remington 783 by unscrewing the screws that secure it.
- Align the action of the rifle with the Vshaped bedding of the Oryx chassis.
- Secure the action in place using the provided screws, ensuring they are tightened to the appropriate torque specifications.
- Attach the adjustable buttstock to the chassis, adjusting it for a comfortable fit.

2. Using the Chassis

- Once installed, check the fit of the rifle in the chassis to ensure stability.
- Adjust the buttstock to your preferred length of pull for optimal shooting comfort.
- Attach your preferred AR15 grip and any MLoc accessories as needed.
- Always perform a function check to ensure that the rifle operates correctly with the new chassis before heading to the range.

Disposal Instructions

- Dispose of the chassis in accordance with local regulations regarding aluminum waste.
- If the chassis is damaged beyond repair, consider recycling it to minimize environmental impact.
- Do not dispose of any components in regular household waste.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Oryx Chassis Sportsman, please refer to the manufacturer's contact information provided with your product. It is important to have access to support for any questions or assistance needed in the use of this product.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your Oryx Chassis Sportsman for the Remington 783 rifle. Always prioritize safety and stay informed about best practices for firearm handling and maintenance. Thank you for your commitment to safe shooting practices.
