The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

Oryx Chassis Sportsman Tikka T3 SA LH Safety Instruction Guide

Introduction

Thank you for choosing the Oryx Chassis Sportsman Tikka T3 SA LH. This product is designed to enhance your shooting experience while ensuring safety and compliance with the EU General Product Safety Regulation (GPSR). This guide provides essential safety instructions, precautions, and information for the safe use and maintenance of your chassis.

General Safety Guidelines

- Ensure safe use of the chassis by following all provided instructions.
- Be aware of risks associated with improper handling and usage.
- Regularly check for updates on product recalls or safety notices.
- Report any unsafe product incidents to local authorities.
- Maintain awareness of vulnerable groups (e.g., children) when using the product.
- Always use the chassis in accordance with local laws and regulations.

Specific Safety Precautions for Use

- Always handle firearms responsibly and ensure they are unloaded when attaching or detaching the chassis.
- Use only compatible accessories as specified in the product description (e.g., AR15 grips, ARCA rails, MLoc accessories).
- Ensure that the chassis is securely attached to the rifle before use.
- Regularly inspect the chassis for signs of wear or damage.
- Do not modify the chassis in any way that could compromise its integrity or safety.
- Use eye and ear protection while shooting.
- Keep the chassis and rifle out of reach of children and unauthorized users.

Instructions for Installation and Usage

1. Installation:

- Ensure that the rifle is unloaded.
- Remove the factory stock from the Tikka T3 rifle following the manufacturer's instructions.
- Align the Oryx Chassis with the rifle's action and secure it using the provided screws.
- Attach the adjustable buttstock and ensure it is locked in place.
- Install any desired grips or accessories following the manufacturer's guidelines.

2. Usage:

- Adjust the buttstock for a comfortable fit.
- Ensure the chassis is free of obstructions before taking a sight picture.
- Practice safe shooting techniques at all times.
- Clean the chassis regularly to maintain performance and longevity.

Disposal Instructions

- Dispose of the chassis in accordance with local waste management regulations.
- If the chassis is damaged or no longer usable, consider recycling the aluminum components where facilities exist.

- Do not dispose of the chassis in regular household waste if it can be recycled.
