

# Oryx Chassis - Sportsman - Tikka T3 - SA - LH - GRY

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

# Oryx Chassis Sportsman Tikka T3 SA LH Safety Instruction Guide

## Introduction

Thank you for choosing the Oryx Chassis Sportsman for your Tikka T3 rifle. This product is designed to enhance your shooting experience while ensuring safety and compliance with EU regulations. Please read this safety instruction guide carefully to understand how to use the chassis safely and effectively.

## General Safety Guidelines

- Always treat your rifle and chassis as if they are loaded.
- Ensure that you are familiar with the operation of your rifle and the Oryx Chassis before use.
- Keep the chassis and all components away from children and unauthorized users.
- Inspect the chassis regularly for any signs of wear or damage.
- Always follow local laws and regulations regarding firearm use and storage.
- Use appropriate protective gear, including eye and ear protection, while shooting.

## Specific Safety Precautions for Use

- Ensure a secure fit of the chassis to your rifle to prevent any movement during use.
- Avoid using the chassis in wet or damp conditions to prevent corrosion.
- Do not modify the chassis or its components in any way that could affect safety or performance.
- Be aware of your surroundings and ensure a safe shooting environment.
- Only use compatible accessories (AR15 grips, ARCA rails, M Lok accessories) as specified by the manufacturer.

## Instructions for Installation and Usage

### Installation Steps

1. **Preparation:** Ensure that your Tikka T3 rifle is unloaded and pointed in a safe direction.
2. **Remove Factory Stock:** Detach the factory stock from your rifle according to the manufacturer's instructions.
3. **Attach Oryx Chassis:**
  - Align the Tikka T3 action with the Oryx Chassis.
  - Securely fasten the action screws to ensure a tight fit.
4. **Install Adjustable Buttstock:** Adjust the buttstock to your preferred length for comfort and stability.
5. **Add Accessories:** Attach any AR15 grips, ARCA rails, or M Lok accessories as needed.
6. **Final Check:** Ensure that all components are securely attached and that there are no loose parts.

### Usage Guidelines

- When aiming, ensure that the rifle is stable and supported by the chassis.
- Adjust the buttstock for optimal fit to enhance accuracy and speed.
- Maintain focus on safe handling practices while shooting.
- Regularly check the fit and condition of the chassis during use.

## Disposal Instructions

- Dispose of the chassis and any accessories in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.
- Consider recycling options for aluminum components if available.

## Contact Information for Further Support

For any safety inquiries or further assistance regarding the Oryx Chassis Sportsman, please refer to the EU contact point designated for product safety support.

## Conclusion

Your safety and satisfaction are our top priorities. By following the guidelines outlined in this instruction guide, you can enjoy the enhanced performance of your Oryx Chassis while ensuring a safe shooting experience. Always stay informed about safety recalls and updates through the EU's Safety Gate platform. Thank you for choosing Oryx!
