Oryx Accessories Side Panels Safety Instruction Guide

Introduction

Thank you for choosing Oryx Accessories Side Panels. These panels are designed to enhance the appearance of your ORYX Sportsman chassis while ensuring safety and compliance with EU regulations. This guide provides essential safety information, installation instructions, and support details to ensure the safe use of your product.

General Safety Guidelines

- Always read and understand the safety instructions before using the product.
- Ensure that the side panels are compatible with your specific ORYX Sportsman chassis.
- Keep the side panels out of reach of children to prevent accidents.
- Regularly inspect the side panels for any signs of damage or wear.
- In case of any issues, refrain from using the product and seek assistance.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the side panels are suitable for your ORYX chassis model (short action, long action, or rimfire inlet).
- **Installation:** Follow the installation instructions carefully to avoid improper fitting that could lead to hazards.
- **Maintenance:** Clean the side panels regularly using a damp cloth. Avoid using harsh chemicals that may damage the material.
- **Storage:** Store the side panels in a cool, dry place when not in use to prevent deterioration.
- **Usage:** Do not use the side panels for any purpose other than intended. Misuse may lead to accidents or product failure.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation (if required).
- Ensure your workspace is clean and free from distractions.

2. Installation Steps:

- Remove any existing panels from your ORYX chassis if applicable.
- Align the new side panels with the chassis.
- Secure the panels according to the manufacturer's instructions. Ensure all fasteners are tightened properly.

3. PostInstallation Check:

- Verify that the side panels are securely attached and do not move.
- Check for any gaps or misalignments that could indicate improper installation.

4. Usage:

- Use the ORYX chassis as intended, ensuring that the side panels do not obstruct any operational features.

Disposal Instructions

- Dispose of the side panels in accordance with local regulations regarding plastic and metal waste.
- Do not incinerate the panels as they may release harmful substances.
- If the panels are damaged or no longer usable, consider recycling them if possible.

Contact Information for Further Support

For any inquiries regarding safety or product support, please contact the manufacturer directly. Ensure that you have the product information available for reference.

By following these guidelines, you can ensure the safe and effective use of your Oryx Accessories Side Panels. Thank you for your attention to safety and for choosing our product.
