Oryx Accessories Side Panels Safety Instruction Guide

Introduction

Thank you for choosing the Oryx Accessories Side Panels in Grey. These side panels are designed to enhance the appearance of your ORYX Sportsman chassis while ensuring safety during use. This guide provides essential safety instructions and guidelines to ensure your experience is safe and enjoyable.

General Safety Guidelines

- Ensure that the product is used only as intended.
- Regularly inspect the side panels for any signs of wear or damage.
- Keep the side panels out of reach of children and vulnerable individuals.
- Always follow the installation instructions carefully to avoid hazards.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Installation Safety:** Ensure that the chassis is stable and secure before installing the side panels.
- **Handling:** Handle the side panels with care to avoid injury from sharp edges.
- **Compatibility:** Verify that the side panels are compatible with your specific ORYX chassis model (short action, long action, or rimfire inlet).
- **Environmental Conditions:** Avoid using the product in extreme temperatures or wet conditions which may affect its performance.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools (e.g., screwdriver, wrench) before starting the installation.
- Ensure that the work area is clean and welllit.

2. Installation Steps:

- Remove any existing side panels from the ORYX chassis.
- Align the new side panels with the mounting points on the chassis.
- Secure the side panels using the provided screws or fasteners.
- Doublecheck that all screws are tightened and that the panels are securely attached.

3. Usage:

- Regularly check the side panels for tightness and stability during use.
- If any issues arise, such as looseness or damage, stop using the chassis immediately and address the problem.

Disposal Instructions

- Dispose of the side panels in accordance with local regulations.
- Do not dispose of the side panels in household waste if they contain hazardous materials.
- Consider recycling options where available to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the Oryx Accessories Side Panels, please refer to the manufacturer's contact information provided with your product. It is important to reach out for assistance if you encounter any safety issues or require further clarification on the usage of the product.

Thank you for your attention to these safety instructions. We wish you a safe and enjoyable experience with your Oryx Accessories Side Panels.
