# Oryx Accessories Sling Swivel Stud Safety Instructions

## Introduction

Thank you for choosing the Oryx Accessories Sling Swivel Stud. This product is designed for use with your Oryx Chassis system, providing a reliable solution for mounting slings or bipods to your precision rifle build. To ensure your safety and the proper functioning of the product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always inspect the sling swivel stud before each use for any signs of damage or wear.
- Ensure that the installation and mounting are done according to the provided instructions.
- Use the product only for its intended purpose, as outlined in this manual.
- Keep the product out of reach of children and vulnerable individuals who may not understand the risks associated with its use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform regularly.

## Specific Safety Precautions for Use

- Ensure that the sling or bipod is properly attached to the sling swivel stud before use.
- Do not exceed the recommended weight limit for the sling swivel stud to prevent failure.
- Avoid using the product in conditions that may compromise its integrity, such as extreme temperatures or exposure to corrosive substances.
- Always check the mounting hardware for tightness and stability before use.
- Be cautious when handling your precision rifle, especially when mounted with accessories.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Locate the mounting hole at the front of your Oryx Sportsman Chassis.
- Insert the sling swivel stud into the mounting hole.
- Secure the stud using the provided hardware, ensuring it is tightened adequately but not overtightened to avoid damage.
- Check the stability of the installation by gently pulling on the stud.

### 2. Usage Steps:

- Attach your sling or bipod to the installed sling swivel stud.
- Ensure that the attachment is secure before proceeding to use your rifle.
- Regularly inspect the connection during use to ensure safety.

## Disposal Instructions

- Dispose of the product responsibly at a designated waste disposal facility.
- Do not dispose of the product in regular household waste.
- Follow local regulations for the disposal of metal and plastic components.

## **Contact Information for Further Support**

For any safety inquiries or further support, please reach out to the appropriate EU contact point as listed by your local authorities or product retailer.

By adhering to these safety guidelines, you can ensure a safer experience while using the Oryx Accessories Sling Swivel Stud. Thank you for your attention to these important safety instructions.
