MDT XRS Walnut Kit Safety Instruction Guide

Introduction

Thank you for choosing the MDT XRS Walnut Kit with Angled Grip. This kit is designed to enhance your MDT XRS Chassis System with highquality machined walnut wood, providing a traditional look and feel while ensuring functionality and rigidity. This safety instruction guide is designed to help you use the product safely and effectively, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the installation and usage instructions provided in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage to the product.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the MDT XRS Walnut Kit in a safe environment, free from distractions and hazards.
- Ensure that all parts are securely attached before use to prevent accidents.
- Avoid using the product if any components are damaged or missing.
- Do not modify the product in any way, as this may compromise safety and functionality.
- When installing or adjusting the kit, wear appropriate safety gear, such as gloves and eye protection.
- Be aware of your surroundings and ensure that no one is in close proximity while using the product.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools for installation.
- Ensure your work area is clean and welllit.

2. Installation

- Carefully remove the MDT XRS Walnut Kit from its packaging.
- Follow the specific steps below to install the kit:
 - Remove the existing grip from your MDT XRS Chassis System.
 - Align the walnut grip with the chassis system and securely attach it using the provided screws.
 - Ensure that all screws are tightened according to the manufacturer's specifications.
 - Check that the grip is firmly in place before use.

3. Usage

- Once installed, familiarize yourself with the new grip.
- Practice safe handling techniques while using the MDT XRS Chassis System.
- Regularly inspect the grip for any signs of wear or damage.

Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the product reaches the end of its life, dispose of it in accordance with local waste disposal regulations.

- Do not dispose of the product in regular household waste. Check for designated electronic waste disposal facilities.

Contact Information for Further Support

For any inquiries or concerns regarding the MDT XRS Walnut Kit, please refer to the manufacturer's contact information provided with the product. Ensure you have your purchase details ready for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT XRS Walnut Kit. Thank you for your attention to safety and for choosing our product.
