Brownells Tactical Beverage Cooler Safety Instruction Guide

Introduction

Thank you for choosing the Brownells Tactical Beverage Cooler. This guide provides essential safety instructions to ensure the safe use and enjoyment of your cooler. Please read this guide carefully before using the product.

General Safety Guidelines

- Always ensure the cooler is used as intended.
- Keep the cooler out of reach of children when not in use.
- Regularly inspect the cooler for any signs of damage or wear.
- Do not use the cooler for any purpose other than its intended use.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the cooler is closed securely to maintain the temperature of your beverages.
- Avoid placing hot items directly inside the cooler; it is designed for cold beverages only.
- Do not overload the cooler beyond its recommended capacity to prevent damage.
- Keep the cooler away from direct sunlight for extended periods to maintain insulation efficiency.
- If using the cooler outdoors, ensure it is placed on stable ground to prevent tipping.

Instructions for Installation and Usage

1. Preparation for Use:

- Clean the cooler with a mild detergent and water before first use.
- Rinse thoroughly and allow to dry completely.

2. Filling the Cooler:

- Open the cooler lid and place your favorite beverages inside.
- For optimal cooling, prechill beverages before placing them in the cooler.
- Close the lid securely after filling.

3. Transporting the Cooler:

- Use the carry handles to transport the cooler.
- Ensure the cooler is secured in your vehicle to prevent movement while driving.

4. Cleaning After Use:

- Empty the cooler and dispose of any waste properly.
- Clean the interior with a mild detergent and water.
- Rinse thoroughly and dry before storing.

Disposal Instructions

- Dispose of the cooler in accordance with local regulations.
- If the cooler is damaged beyond repair, consider recycling the materials where possible.
- Do not dispose of the cooler in regular household waste if it can be recycled.
