

# Buttstock Weight - SRS-X Elite Buttstock

[Rifle Parts](#) > [Stock Parts](#) > [Stock Hardware](#) > [Weights](#)

## Introducing our new Buttstock Weight

The perfect accessory to decrease recoil and balance your rifle. This weight is designed to mount in the lower pocket of MDT ESS, ACC, and SRS V5 buttstocks, allowing for easy installation and a seamless integration into your rifle system.

Adding just 0.65 lb to your rifle, this weight is the perfect way to move your balance point rearward, allowing for a more comfortable and accurate shooting experience. Designed with high-quality materials and hardware, this weight is built to last and withstand even the toughest shooting conditions.

### Installation

Installation is a breeze - simply remove the buttpad assembly, slide the weight into the lower pocket, attach with the included screws, and reinstall the buttpad assembly. The result? A perfectly balanced rifle with reduced recoil, allowing you to take your shooting to the next level.

### The Perfect Complement

This buttstock weight is the perfect complement to our M-LOK Exterior Forend Weights, providing even more options for customizing your rifle to your exact specifications. So why wait? Add our Buttstock Weight to your rifle system today and experience the ultimate in balance and accuracy.

## Safety Instruction Guide

### Introduction

Thank you for choosing the MDT Buttstock Weight SRSX Elite Buttstock. This product is designed to enhance the balance and reduce recoil of your rifle, providing a more comfortable and accurate shooting experience. To ensure your safety and the proper use of this product, please read and follow the safety instructions carefully.

### General Safety Guidelines

- Ensure that the Buttstock Weight is installed correctly to avoid any accidents or malfunctions.
- Regularly inspect the Buttstock Weight and its attachment to ensure it is secure and free from damage.
- Keep the Buttstock Weight out of reach of children and vulnerable individuals to prevent misuse.
- Report any unsafe product incidents or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation or use may lead to loss of control while shooting, resulting in injury.
- **Avoid Overloading:** Do not exceed the recommended weight limit of 0.65 lb for the Buttstock Weight.
- **Check Compatibility:** Ensure that the Buttstock Weight is compatible with your specific MDT buttstock model (ESS, ACC, or SRS V5).
- **Secure Attachment:** Always ensure that all screws are tightened securely after installation.
- **Regular Maintenance:** Routinely check the Buttstock Weight and its attachment points for wear and tear.

### Instructions for Installation and Usage

#### 1. Installation Steps:

- Remove the buttstock assembly from your MDT buttstock.
- Slide the Buttstock Weight into the lower pocket of the buttstock.
- Attach the weight using the included screws. Ensure they are tightened securely.
- Reinstall the buttstock assembly, ensuring it fits snugly.

#### 2. Usage:

- After installation, hold your rifle firmly and practice shooting to adjust to the new balance.
- If you experience any discomfort or instability, reassess the installation and ensure the weight is securely attached.

### Disposal Instructions

- Dispose of the Buttstock Weight in accordance with local regulations for metal products.
- Do not dispose of the product in regular household waste. Instead, take it to a designated recycling facility.

### Contact Information for Further Support

For any questions or support regarding the MDT Buttstock Weight SRSX Elite Buttstock, please refer to the manufacturer's website or customer service for assistance.

Thank you for your attention to these safety guidelines. Enjoy your enhanced shooting experience with the MDT Buttstock Weight!
