MDT Rubber Dampeners SRSX Elite (FDE) Safety Instruction Guide

Introduction

Thank you for choosing the MDT Rubber Dampeners SRSX Elite (FDE). This product is designed to enhance your shooting experience by reducing vibrations and improving accuracy. To ensure your safety and the optimal use of the product, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure safe use of the MDT Rubber Dampeners by following all instructions provided.
- Be aware of potential hazards associated with improper installation or use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any updates or recalls related to the product via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only as intended, specifically for reducing vibrations in firearms.
- Avoid using the dampeners on any other equipment or in ways not recommended by the manufacturer.
- Inspect the dampeners before each use for any signs of wear or damage.
- Do not modify the dampeners in any way, as this may compromise their effectiveness and safety.
- If you experience any issues during use, discontinue use immediately and seek assistance.

Instructions for Installation and Usage

1. Preparation:

- Gather the necessary materials, including dry lube for installation.
- Ensure your firearm is unloaded and in a safe condition before proceeding.

2. Application:

- Apply a small amount of dry lube to the outer edge of the MDT Rubber Dampeners.
- Carefully press the dampeners into the buttstock openings of your firearm.

3. Secure Fit:

- Ensure that the dampeners fit snugly in place without any gaps.
- No tools or screws are required for installation; the dampeners should remain securely in position during use.

4. PostInstallation Check:

- After installation, check that the dampeners are properly seated and do not move when pressure is applied.
- Perform a brief test to ensure the firearm functions correctly with the dampeners in place.

Disposal Instructions

- Dispose of the MDT Rubber Dampeners in accordance with local regulations for rubber products.
- Do not incinerate or dispose of in water bodies.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any questions or concerns regarding the MDT Rubber Dampeners SRSX Elite (FDE), please contact the manufacturer or your local retailer. They can provide additional information and support as needed.

Thank you for your attention to these safety guidelines. Enjoy your enhanced shooting experience with the MDT Rubber Dampeners!
