# MDT Chassis ACC Elite Chassis System Tikka T3x

## Safety Instruction Guide

### Introduction

Thank you for choosing the MDT ACC Elite Chassis System for your Tikka T3x rifle. This product is designed for top-tier performance, ensuring that shooters can achieve their best results. However, safety is paramount. This guide provides essential safety instructions and guidelines to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

### General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms and associated equipment with care.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for wear and tear, and replace any damaged components.
- Follow all local laws and regulations regarding firearms and their accessories.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about recall updates via the EU Safety Gate platform.

### Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure the rifle is unloaded when attaching or detaching the chassis.
- Avoid using the chassis in adverse weather conditions that may affect performance.
- Do not modify the chassis or its components without consulting a qualified professional.
- Be mindful of the weight distribution when using the chassis to avoid loss of control.
- Use the chassis only with compatible firearms as specified by the manufacturer.

### Instructions for Installation and Usage

#### Installation

1. **Preparation:** Ensure you have all necessary tools and components before starting the installation.
2. **Unloading the Rifle:** Make sure the rifle is completely unloaded and the safety is engaged.
3. **Removing the Stock:**
  - Loosen and remove the screws securing the existing stock.
  - Carefully detach the stock from the rifle action.
4. **Attaching the MDT Chassis:**
  - Align the rifle action with the MDT chassis.
  - Secure the rifle action to the chassis using the provided screws.
  - Tighten the screws firmly but do not overtighten to avoid damaging the chassis or rifle action.
5. **Final Checks:** Ensure all components are securely fastened and that there are no loose parts.

#### Usage

- Familiarize yourself with the chassis and its features before use.
- Conduct a safety check of the rifle and chassis before each use.
- Practice safe handling and shooting techniques at all times.
- Regularly clean and maintain the chassis to ensure optimal performance.

## **Disposal Instructions**

- Dispose of the chassis in accordance with local regulations for metal products.
- If the chassis is damaged or no longer usable, consider recycling the aluminum components.
- Do not dispose of the chassis in household waste.

## **Contact Information for Further Support**

For any inquiries or support regarding the MDT ACC Elite Chassis System, please consult the manufacturer's website or contact their customer support directly.

By following these safety instructions, you can ensure a safer and more enjoyable experience with your MDT ACC Elite Chassis System. Always prioritize safety and responsible usage when handling firearms and their accessories.
