

## Gen 2 Perfect Fit Reloading Tray - Perfect Fit Reloading Tray - #2 (5.56/.223 Rem. .300 AAC. .204 Ruger)

[Reloading](#) > [Case Preparation](#) > [Loading Blocks](#)

Frankford Arsenal's Perfect Fit Gen 2 Reloading Trays are specifically designed to provide a precise fit for individual calibers or a family of calibers. These trays are an essential tool for reloaders, allowing them to maximize efficiency and stay organized. With 9 tray sizes available, they cater to many popular rifle and pistol cartridges.

Sold in a convenient 2-pack, each tray securely holds 50 cases, ensuring a snug fit that prevents wobbling and powder spillage. This precise case fit guarantees a stable platform for reloading, reducing the risk of errors and maintaining a clean workspace.

The trays are numbered, making it easy to identify the specific caliber. This numbering system enhances organization and streamlines the reloading process, saving valuable time and effort.

By purchasing the 2-pack, you can keep batches of brass separated during reloading. This separation minimizes the chance of mixing different batches, ensuring consistency and reliability in your ammunition.

With 9 tray options available, the Perfect Fit Gen 2 Reloading Trays accommodate a wide range of popular calibers. Whether you're reloading rifle cartridges or pistol rounds, these trays provide a perfect fit for your specific needs.

# Safety Instruction Guide for Gen 2 Perfect Fit Reloading Tray

## Introduction

Thank you for choosing the Gen 2 Perfect Fit Reloading Tray. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this document carefully before using the reloading tray, as it contains important information regarding safety precautions, usage instructions, and disposal methods.

## General Safety Guidelines

- Ensure that the reloading tray is used only for its intended purpose, which is to hold reloading cases securely during the reloading process.
- Always keep the reloading tray out of reach of children and vulnerable individuals to prevent accidental injury.
- Inspect the tray before each use to ensure it is free from damage. Do not use the tray if it shows signs of wear or damage.
- Store the reloading tray in a dry and cool place, away from direct sunlight and extreme temperatures.
- Follow all local regulations and guidelines related to reloading ammunition and handling firearms.
- Report any unsafe conditions or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- When using the reloading tray, ensure that it is placed on a stable and level surface to prevent tipping or spilling.
- Only load the tray with the appropriate caliber cases as indicated on the tray. Using incorrect calibers can lead to improper fitting and potential hazards.
- Avoid overloading the tray beyond its capacity of 50 cases to maintain stability and prevent accidents.
- Do not attempt to modify or alter the tray in any way, as this may compromise its safety and effectiveness.
- Ensure that all tools and materials used in conjunction with the reloading tray are in good condition and suitable for reloading purposes.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when reloading ammunition.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary reloading equipment and materials, including powder, primers, bullets, and tools.
- Ensure that your workspace is clean and organized to facilitate safe reloading.

### 2. Loading the Tray:

- Select the appropriate tray size that corresponds to the caliber you are reloading.
- Place the tray on a flat and stable surface.
- Load the cases into the tray, ensuring that each case fits snugly in its designated slot.
- Check that no cases are wobbling or loose, as this can lead to spillage or accidents.

### 3. Reloading Process:

- Follow your reloading recipe and instructions carefully, ensuring the correct measurements of powder and components are used.
- Use the tray to hold cases while performing each step of the reloading process, maintaining organization and efficiency.

#### **4. After Use:**

- Carefully unload all cases from the tray after reloading is complete.
- Clean the tray if necessary, using a damp cloth to remove any debris or powder residue.
- Store the tray in its designated location, ensuring it is protected from damage.

## **Disposal Instructions**

- When the reloading tray reaches the end of its life or is no longer usable, dispose of it in accordance with local waste disposal regulations.
- If the tray is made of plastic, check for recycling options in your area.
- Do not burn or incinerate the tray, as this may release harmful substances.

## **Contact Information for Further Support**

For any inquiries regarding product safety or usage, please refer to the relevant contact points provided by the manufacturer or retailer. Ensure you have your product details handy when seeking assistance.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and efficient reloading experience with your Gen 2 Perfect Fit Reloading Tray.
