

Gen 2 Perfect Fit Reloading Tray - Perfect Fit Reloading Tray - #7 (7mm Rem Mag. .300 Win Mag)

[Reloading](#) > [Case Preparation](#) > [Loading Blocks](#)

Frankford Arsenal's Perfect Fit Gen 2 Reloading Trays are specifically designed to provide a precise fit for individual calibers or a family of calibers. These trays are an essential tool for reloaders, allowing them to maximize efficiency and stay organized. With 9 tray sizes available, they cater to many popular rifle and pistol cartridges.

Sold in a convenient 2-pack, each tray securely holds 50 cases, ensuring a snug fit that prevents wobbling and powder spillage. This precise case fit guarantees a stable platform for reloading, reducing the risk of errors and maintaining a clean workspace.

The trays are numbered, making it easy to identify the specific caliber. This numbering system enhances organization and streamlines the reloading process, saving valuable time and effort.

By purchasing the 2-pack, you can keep batches of brass separated during reloading. This separation minimizes the chance of mixing different batches, ensuring consistency and reliability in your ammunition.

With 9 tray options available, the Perfect Fit Gen 2 Reloading Trays accommodate a wide range of popular calibers. Whether you're reloading rifle cartridges or pistol rounds, these trays provide a perfect fit for your specific needs.

Safety Instruction Guide for Gen 2 Perfect Fit Reloading Tray

Introduction

Thank you for choosing the Gen 2 Perfect Fit Reloading Tray. This product is designed to enhance your reloading experience by providing a precise fit for various calibers. It is essential to follow the safety guidelines outlined in this document to ensure safe and effective use of the reloading tray.

General Safety Guidelines

- Ensure that the reloading tray is used in a wellventilated area, free from any flammable materials.
- Always keep the reloading tray out of reach of children and pets.
- Inspect the reloading tray for any damage before use. Do not use if damaged.
- Follow all manufacturer instructions for the reloading process to avoid accidents and ensure safety.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses, when using the reloading tray.
- Do not overload the tray with more than the recommended number of cases (50).
- Avoid using the tray with incompatible calibers to prevent mishaps.
- Keep the reloading area organized and free of clutter to minimize the risk of accidents.
- Do not leave the reloading tray unattended while in use.

Instructions for Installation and Usage

1. **Selecting the Tray:** Choose the appropriate tray size for your specific caliber. The Gen 2 Perfect Fit Reloading Tray is available in multiple sizes to accommodate various calibers.
2. **Loading Cases:**
 - Ensure that the cases are clean and free from debris.
 - Place each case securely in the designated slots of the tray. Make sure they fit snugly to prevent wobbling.
3. **Reloading Process:**
 - Follow your specific reloading instructions for the caliber you are using.
 - Ensure that you are in a safe and controlled environment while reloading.
4. **PostUse Care:**
 - Once reloading is complete, remove all cases from the tray.
 - Clean the tray as needed to maintain its condition and functionality.

Disposal Instructions

- Dispose of any damaged or unusable trays in accordance with local regulations.
- If the reloading tray is no longer needed, consider recycling it if possible, following your local recycling guidelines.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to your local regulatory authority or the manufacturer's customer service resources.

By adhering to these safety guidelines and instructions, you can ensure a safe and efficient reloading experience with the Gen 2 Perfect Fit Reloading Tray. Thank you for your attention to safety.
