

# Ladder Picatinny Rail Cover 18-SLOT FDE 3er pack

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Rail Covers](#)

The Ladder Picatinny Rail Cover 18-SLOT provide a sleek and low-profile cover for your 1913 Picatinny rails. This pack includes three 17.8cm long ladder-style rail panels, offering ample coverage for a standard quad rail system. Each panel can be easily trimmed to fit individual lengths, ensuring a precise fit for your specific rail setup.

Designed to fit standard 20mm Weaver/Picatinny rails, each cover provides 18 slots of coverage per rail. This ensures complete protection and a seamless look for your firearm's accessory rail.

# Ladder Picatinny Rail Cover 18SLOT Safety Instructions

## Introduction

Thank you for choosing the Ladder Picatinny Rail Cover 18SLOT. This product is designed to enhance your firearm's accessory rail while ensuring safety and functionality. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Ensure that the Ladder Picatinny Rail Cover is compatible with your firearm's rail system before installation.
- Always handle firearms safely and responsibly. Follow all relevant laws and regulations.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Regularly inspect the rail cover for any signs of wear or damage. Replace if necessary.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use only on standard 20mm Weaver/Picatinny rails to ensure proper fit and function.
- Do not exceed the recommended number of rail covers on your firearm to avoid interference with other accessories.
- Avoid exposing the rail cover to extreme temperatures, chemicals, or harsh environments that may compromise its integrity.
- Ensure that the rail cover is securely attached before using your firearm to prevent it from coming loose during operation.

## Instructions for Installation and Usage

### 1. Preparation:

- Clean the surface of the Picatinny rail where the cover will be installed to ensure proper adhesion.
- Measure the length of the rail to determine how many panels you will need.

### 2. Trimming the Panels:

- If necessary, use a sharp utility knife or scissors to trim the panels to fit your specific rail length.
- Ensure that edges are smooth and free from sharp points to prevent injury.

### 3. Installation:

- Align the rail cover with the desired position on the Picatinny rail.
- Press down firmly to secure the rail cover in place.
- Ensure that all slots are properly aligned and that the cover is not obstructing any other accessories.

### 4. Usage:

- After installation, check that the rail cover is securely attached before using your firearm.
- Regularly monitor the rail cover during use to ensure it remains intact and functional.

## Disposal Instructions

- Dispose of any damaged or worn rail covers in accordance with local regulations.
- Do not dispose of the product in household waste. Check for designated recycling facilities that accept plastic materials.

## Contact Information for Further Support

For further assistance, please refer to the manufacturer's website or customer service resources for support regarding installation, usage, or safety inquiries.

Thank you for prioritizing safety while using the Ladder Picatinny Rail Cover 18 SLOT. Your attention to these guidelines helps ensure a safe and enjoyable experience.
