# Ladder Picatinny Rail Cover 18SLOT Safety Instructions

## Introduction

Thank you for choosing the Ladder Picatinny Rail Cover 18SLOT. This product is designed to provide a sleek, lowprofile cover for your 1913 Picatinny rails, ensuring both protection and a seamless look for your firearm's accessory rail. To ensure safe and effective use of this product, please read and follow the safety guidelines outlined in this document.

## General Safety Guidelines

- Always inspect the rail cover before use for any signs of damage or defects.
- Ensure that the rail cover is compatible with your specific firearm and rail system.
- Store the product in a cool, dry place away from direct sunlight and moisture.
- Keep the product out of reach of children and unauthorized individuals.
- Report any unsafe conditions or incidents involving the product to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

## Specific Safety Precautions for Use

- Use the rail cover only as intended. Do not modify or alter the product.
- If trimming the rail panels, use appropriate tools and take care to avoid injury.
- Ensure that the rail cover is securely attached to the rail before handling the firearm.
- Avoid exposing the rail cover to extreme temperatures or harsh chemicals.
- Be cautious when handling the firearm with the rail cover installed, as it may affect certain functionalities.

## Instructions for Installation and Usage

### 1. Preparation:

- Before installation, ensure that your firearm is unloaded and safe to handle.
- Clean the Picatinny rail to remove any dirt, debris, or oil.

### 2. Trimming the Rail Panels:

- Measure the desired length for each panel.
- Use a sharp utility knife or scissors to carefully trim the panels to fit your rail length.
- Ensure that the cut edges are smooth to prevent injury during handling.

### 3. Installation:

- Align the rail cover with the Picatinny rail.
- Press the cover firmly onto the rail, ensuring that it fits securely into place.
- If necessary, use additional pressure to ensure a snug fit.

### 4. Final Check:

- After installation, check that the rail cover is securely attached and does not move.
- Test the functionality of any accessories mounted on the rail to ensure they operate correctly.

## **Disposal Instructions**

- Dispose of any packaging materials responsibly and in accordance with local regulations.
- If the rail cover is damaged beyond use, follow local waste disposal guidelines for plastic materials.
- Do not burn the product, as it may release harmful substances.

## **Contact Information for Further Support**

For any questions or concerns regarding the Ladder Picatinny Rail Cover 18SLOT, please refer to the manufacturer's contact information provided in the product packaging or user manual.

Thank you for your attention to these safety instructions. Enjoy using your Ladder Picatinny Rail Cover 18SLOT responsibly and safely.
