

# Rib-Mounted Picatinny Shotgun Rail - Rib-Mounted Picatinny Rail 3.3"

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Handgun Bases](#)

This vented rib mount adapter is designed for use with vented shotgun ribs (no wider than 7.9mm). The length of the Picatinny rail is 85mm and is long enough to fit most scopes and accessories.

No gun build is required to install the Rib-Mounted Picatinny Rail. You can take it out of the box and install it on your gun in minutes. These rails mount as low as possible on the ribs for a slim profile that minimally affects the build of your gun. The mounting principle consists of transverse slats, which are passed through the holes in the ventilated plate and tightened with two screws. On the sides of the transition bar are 2 pins that provide additional fixation.

# RibMounted Picatinny Shotgun Rail Safety Instructions

## Introduction

Thank you for choosing the RibMounted Picatinny Shotgun Rail. This product is designed to enhance your shooting experience by providing a secure and adjustable mounting solution for scopes and accessories on vented shotgun ribs. Please read this safety instruction guide carefully to ensure safe usage and installation.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the RibMounted Picatinny Shotgun Rail by following all instructions provided. This product complies with EU safety regulations.
- **Enhanced Recalls:** In the event of a safety concern, recall notices will be standardized and remedies provided at no cost.
- **Online Shopping:** Ensure you purchase this product from authorized retailers who comply with EU safety standards.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries, please refer to the contact information provided by your retailer.
- **Rapid Alerts:** Stay updated on any safety alerts regarding this product through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Compatibility:** Ensure that the RibMounted Picatinny Shotgun Rail is compatible with your shotgun's vented rib, which should not exceed 7.9mm in width.
- **Installation:** Follow the installation instructions carefully to avoid any improper fitting that may lead to accidents.
- **Inspection:** Regularly inspect the rail and mounting system for signs of wear or damage. Replace any damaged components immediately.
- **Secure Mounting:** Always ensure that the rail is securely mounted before use to prevent any accidents while shooting.
- **Shooting Environment:** Use the product only in safe and designated shooting areas. Follow all local laws and regulations regarding firearm use.

## Instructions for Installation and Usage

1. **Unboxing:** Carefully remove the RibMounted Picatinny Shotgun Rail from the packaging. Inspect for any visible damage.
2. **Preparation:** Ensure your shotgun is unloaded and pointed in a safe direction before beginning the installation process.
3. **Installation Steps:**
  - Align the RibMounted Picatinny Rail with the vented rib of your shotgun.
  - Pass the transverse slats through the holes in the ventilated plate.
  - Tighten the slats using the two screws provided. Ensure they are securely fastened.
  - Check that the rail is mounted as low as possible on the ribs to maintain a slim profile.
  - Confirm that the 2 pins on the sides of the transition bar are properly positioned for additional fixation.
4. **Usage:** Once installed, you can mount your scope or accessories onto the Picatinny rail. Ensure they are securely attached before use.
5. **PostUse Inspection:** After use, inspect the rail and mounting system for any looseness or damage. Tighten screws if necessary.

## **Disposal Instructions**

- Dispose of the RibMounted Picatinny Shotgun Rail in accordance with local regulations.
- Do not dispose of the product in household waste. Check for recycling programs in your area that accept aluminum materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the RibMounted Picatinny Shotgun Rail, please refer to the contact information provided by your retailer or manufacturer. Always ensure you are receiving information from authorized sources to guarantee safety and compliance.

Thank you for your attention to these safety guidelines. Enjoy your enhanced shooting experience with the RibMounted Picatinny Shotgun Rail!
