NV Bridge ACC Elite Safety Instruction Guide

Introduction

Thank you for choosing the MDT ACC Elite NV Bridge. This product is designed to enhance your shooting experience by providing a secure mounting platform for various optical devices. Please read this safety instruction guide carefully to ensure safe and effective use of the NV Bridge.

General Safety Guidelines

- Ensure that all safety precautions are followed during the use of the NV Bridge.
- Inspect the NV Bridge before each use for any signs of damage or wear.
- Keep the NV Bridge and all accessories out of reach of children and unauthorized users.
- Always use the product in accordance with the manufacturer's instructions.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always check that the NV Bridge is securely attached to the forend before using any mounted devices.
- Avoid using the NV Bridge in extreme weather conditions that may affect its performance.
- Do not overload the NV Bridge with equipment that exceeds its weight capacity.
- Be cautious of sharp edges when handling the NV Bridge to prevent cuts or injuries.
- If you experience any issues with the NV Bridge, discontinue use immediately and seek assistance.

Instructions for Installation and Usage

1. Installation Instructions

- Ensure the firearm is unloaded and pointed in a safe direction.
- Clean the mounting area on the forend to remove any debris or oils.
- Align the Picatinny rail of the NV Bridge with the mounting slots on the forend.
- Secure the NV Bridge using the provided screws, ensuring a tight fit without overtorquing.
- Verify that the NV Bridge is firmly attached by gently pulling on it.

2. Usage Instructions

- Attach your chosen optical device (night vision, thermal imaging, etc.) to the NV Bridge.
- Confirm that the device is securely mounted and properly aligned.
- Use the optical device as per its respective instructions while ensuring the NV Bridge remains stable.
- Monitor the NV Bridge during use for any signs of loosening or damage.

Disposal Instructions

- Dispose of the NV Bridge in accordance with local regulations for metal and aluminum waste.
- Do not dispose of the NV Bridge in regular household waste.
- If the product is damaged or no longer usable, consider recycling options available in your area.

Contact Information for Further Support

For any questions or concerns regarding the NV Bridge, please reach out to your local retailer or visit the manufacturer's website for additional support resources. Always ensure you have the product details ready for

reference.

By following these guidelines, you can ensure a safe and enjoyable experience with your MDT ACC Elite NV Bridge. Thank you for your attention to safety.
