NV Bridge ACC Elite Safety Instructions

Introduction

Thank you for choosing the MDT ACC Elite NV Bridge. This product is designed to enhance your shooting experience by providing versatile mounting options for various optical devices. Please read this safety instruction guide carefully to ensure safe and effective use of the NV Bridge.

General Safety Guidelines

- Always ensure the NV Bridge is securely attached to the forend before use.
- Inspect the NV Bridge regularly for signs of wear or damage.
- Only use the NV Bridge with compatible devices to avoid accidents or malfunctions.
- Keep the NV Bridge and attached devices out of reach of children and vulnerable individuals.
- Be aware of your surroundings and ensure a clear line of sight when using night vision or thermal imaging devices.

Specific Safety Precautions for Use

• Potential Hazards:

- Improper installation may lead to device detachment during use.
- Overloading the NV Bridge with incompatible or excessively heavy devices can cause structural failure.
- Using the NV Bridge in extreme weather conditions may affect performance and safety.

• Avoiding Hazards:

- Follow installation instructions carefully to ensure secure attachment.
- Do not exceed the manufacturer's recommended weight limits for attached devices.
- Avoid using the NV Bridge in adverse weather conditions unless it has been specifically rated for such use.

• Warnings:

- This product is not intended for use by children.
- Always use eye protection when using devices mounted on the NV Bridge.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Align the NV Bridge with the Picatinny rail on the top of the forend.
- Secure the NV Bridge using the provided mounting hardware. Ensure all screws are tightened to prevent movement during use.

2. Usage:

- Once installed, attach your night vision or thermal imaging device to the NV Bridge according to the device's instructions.
- Check that the device is securely mounted before each use.
- Use the NV Bridge in welllit conditions for initial adjustments and testing.
- Familiarize yourself with the operation of your mounted device before use in the field.

Disposal Instructions

- Dispose of the NV Bridge in accordance with local regulations regarding electronic waste and aluminum products.
- Remove any attached devices before disposal.
- If the NV Bridge is damaged, do not attempt to repair it. Instead, follow local disposal guidelines.

Contact Information for Further Support

For any safety inquiries or further support regarding the NV Bridge, please contact the manufacturer or visit their official website.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your MDT ACC Elite NV Bridge responsibly!
