# NV Bridge ACC Elite Safety Instruction Guide

## Introduction

Thank you for choosing the MDT ACC Elite NV Bridge. This guide provides important safety information and instructions for the proper use, installation, and disposal of the product. Please read this guide carefully to ensure safe operation and compliance with EU safety regulations.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the NV Bridge by following all instructions. The product is designed to meet safety standards for nonfood items, including new technologies.
- **Enhanced Recalls:** Stay informed about product recalls. In case of a recall, you will receive standardized notices and free remedies for any dangerous issues.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements similar to those in physical stores.
- **Special Consumer Focus:** Extra care should be taken when the product is used by or around vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact for this product.
- **Rapid Alerts:** Keep updated on any safety alerts regarding this product through the Safety Gate system.

## Specific Safety Precautions for Use

- **Read All Instructions:** Before using the NV Bridge, ensure you have read and understood the instructions provided in this guide.
- **Inspection:** Regularly inspect the NV Bridge for any signs of damage or wear. Do not use if damaged.
- **Secure Mounting:** Ensure that the NV Bridge is securely mounted to your firearm to prevent accidental detachment during use.
- **Use Appropriate Accessories:** Only use devices compatible with the Picatinny rail system.
- **Avoid Overloading:** Do not exceed the recommended weight limit for mounted devices to prevent failure.
- **Children:** Keep the product out of reach of children to avoid accidents.
- **Environmental Conditions:** Avoid using the NV Bridge in extreme weather conditions that may affect its performance or safety.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is unloaded before beginning installation.
- Align the NV Bridge with the Picatinny rail on the top of the forend.
- Secure the NV Bridge using the provided mounting hardware, ensuring it is tightened adequately but not excessively to avoid damage.
- Doublecheck that the NV Bridge is firmly attached before proceeding to use it.

### 2. Usage:

- Attach your night vision, thermal imaging, or other compatible devices to the NV Bridge as per the manufacturer's instructions for those devices.
- Adjust the mounted device as needed for optimal viewing and operation.
- Regularly check the stability of the mounted devices during use and prior to each use.

## Disposal Instructions

- **General Disposal:** Dispose of the NV Bridge in accordance with local regulations regarding electronic waste and materials.
- **Recycling:** If possible, recycle the NV Bridge and any associated components to minimize environmental impact.
- **NonHazardous Waste:** The NV Bridge is made from 6061 T6 Aluminum, which is considered nonhazardous. However, ensure that any waste materials are disposed of responsibly.

## Contact Information for Further Support

For any inquiries regarding safety, installation, or usage of the NV Bridge, please refer to the designated EU contact for this product. Always ensure that you have the most current information and support available.

By following these guidelines, you can ensure the safe and effective use of the MDT ACC Elite NV Bridge. Thank you for your attention to safety and compliance.
