

# Bipod - GRND Pod - M-LOK - BLK

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

The MDT GRND-POD Bipod was engineered to maximize versatility and cost-efficiency while preserving key features that we identified as crucial through your valuable feedback in the realm of precision rifle bipods.

After establishing the overall design direction and securing approval for the bipod, we delved deeper into the specific features of the bipod. These included adjustable leg lengths, cant with customizable tension, rapid and easy deployment of bipod legs, and, of course, prioritizing stability and strength. Along the way, we explored innovative materials and manufacturing techniques that were new to us. Our unwavering determination was to incorporate all these features at a cost that is both reasonable and practical, and we refused to cease our efforts until we had achieved our project objective.

# BIPOD GRND POD Bipod Safety Instruction Guide

## Introduction

Thank you for choosing the MDT GRNDPOD Bipod. This guide provides essential safety information and instructions to ensure the safe use and maintenance of your bipod. It is important to read and understand these guidelines to prevent accidents and enhance your experience.

## General Safety Guidelines

- Always inspect the bipod before each use to ensure it is in good condition and free from damage.
- Do not exceed the maximum weight limit specified by the manufacturer to avoid structural failure.
- Ensure the bipod is securely attached to your firearm before use.
- Use the bipod only for its intended purpose as a support for precision shooting.
- Keep the bipod out of reach of children and vulnerable individuals when not in use.
- Be aware of your surroundings and ensure a clear shooting area to prevent accidents.
- Do not modify the bipod in any way, as this may compromise its safety and functionality.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Adjustable Leg Lengths:** Ensure that the legs are properly adjusted and locked in place before use. Check that they are of equal length to maintain stability.
- **Cant with Customizable Tension:** Adjust the cant tension according to your preference, but ensure it is secure to prevent unexpected movement during use.
- **Deployment of Bipod Legs:** Practice deploying the bipod legs in a safe environment to become familiar with the mechanism. Ensure they are fully extended and locked before placing the bipod on the ground.
- **Stability and Strength:** Always place the bipod on a stable surface. Avoid using it on uneven or unstable ground to prevent tipping.
- **Material Considerations:** The bipod is made from 6061 T6 Aluminum and features a Carbon Fiber finish. While these materials are durable, avoid exposing the bipod to extreme conditions that may affect its performance.

## Instructions for Installation and Usage

### 1. Installation:

- Locate the MLOK attachment points on your firearm.
- Align the bipod's mounting interface with the MLOK slots.
- Secure the bipod using the provided hardware, ensuring it is tightly fastened.

### 2. Usage:

- Extend the bipod legs to the desired length by pressing the leg release buttons.
- Adjust the cant tension to your preference using the tension adjustment knob.
- Position the bipod on a stable surface, ensuring it is level.
- Place your firearm on the bipod, ensuring it is securely supported.
- Always maintain a firm grip on the firearm when aiming and shooting.

## Disposal Instructions

- Dispose of the bipod in accordance with local regulations regarding electronic waste and metal products.
- If the bipod is damaged beyond repair, consider recycling the materials where possible.
- Do not dispose of the bipod in regular household waste.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please contact your local dealer or visit the manufacturer's website for more information. Always keep this guide for future reference.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the MDT GRNDPOD Bipod!
