Looking to enhance your rifle or tailor a fresh build, the GTS AR-15/AR-10 Gas Tube, complete with a roll-pin, is the ideal answer for perfecting your AR-15 or AR-10.

At GERMAN TACTICAL SYSTEMS, we understand the importance of precision and reliability in every aspect of your shooting experience.

What to expect from your German Tactical Systems Gas Tube?

NO IMAGE  
AVAILABLE

- **Varied Compatibility:** Available in pistol, carbine, mid, and rifle length, the GTS Gas Tube offers a wide range of fitment to ensure seamless integration with your specific AR-15 setup.
- **Easy Installation:** Included with the gas tube is a roll-pin, simplifying the installation process and ensuring a secure connection between your gas block and gas tube.
- **Superior Strength:** Crafted from corrosion-resistant stainless steel, the GTS Gas Tube provides remarkable durability and longevity without adding unnecessary weight.
- **Aesthetics and Durability:** Choose between a naturally resilient stainless finish or a nitride finish for superior corrosion resistance and a sleek black appearance.
- **German Tactical Systems Reliability:** Our brand is trusted by professionals and enthusiasts alike for providing top-quality, reliable firearm components.

Whether you're a competitive shooter, a tactical professional, or a firearm enthusiast, the GTS Gas Tube is the essential addition to your weapon system.

GTS - where every shot counts, and legends are born

# Safety Instruction Guide for the AR15 Gas Tube

## Introduction

Thank you for choosing the GTS AR15 Gas Tube. This product is designed to enhance your rifle or support your custom build. At GERMAN TACTICAL SYSTEMS, we prioritize safety and reliability. Please read this guide carefully to ensure safe use and compliance with all safety regulations.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before using the gas tube.
- Always follow local laws and regulations regarding firearm modifications and usage.
- Inspect the gas tube and all related components for damage before installation.
- Never use the gas tube if it appears to be damaged or defective.
- Store the gas tube in a safe, dry place away from children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Compatibility:** Ensure that the GTS Gas Tube is compatible with your specific AR15 setup.
- **Installation:** Follow the installation instructions carefully to avoid any hazards.
- **Testing:** After installation, conduct a thorough function test before using the firearm in a live environment.
- **Supervision:** If you are inexperienced, seek assistance from a qualified gunsmith or firearms expert.
- **Protective Gear:** Always wear appropriate protective gear, such as eye and ear protection, when using firearms.

## Instructions for Installation and Usage

1. **Gather Tools and Materials:** Before starting, ensure you have the necessary tools, including a rollpin punch and hammer.
2. **Prepare the Firearm:** Ensure that the firearm is unloaded and pointed in a safe direction.
3. **Remove Existing Gas Tube:** If replacing an existing gas tube, carefully remove it according to your firearm's manual.
4. **Install the GTS Gas Tube:**
  - Align the gas tube with the gas block.
  - Insert the rollpin into the designated hole.
  - Gently tap the rollpin with a hammer until it is securely in place.
5. **Check Alignment:** Ensure that the gas tube is properly aligned and seated within the gas block.
6. **Reassemble the Firearm:** Follow your firearm's manual to reassemble any components removed during installation.
7. **Function Test:** Before live fire, conduct a function test to ensure proper operation.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the gas tube is damaged beyond repair, follow local guidelines for the disposal of metal products.
- Do not dispose of the gas tube in regular household waste if it is still functional; consider recycling options.

## Contact Information for Further Support

For any questions or concerns regarding the GTS AR15 Gas Tube, please consult your retailer or a qualified firearms expert for assistance.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation (GPSR). Your attention to these guidelines helps ensure a safe and enjoyable shooting experience.
