Safety Instruction Guide for GTS AR15 Gas Tube

Introduction

Thank you for choosing the GTS AR15 Gas Tube. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this document carefully before installation and usage.

General Safety Guidelines

- Always ensure that your firearm is unloaded before handling or installing any components.
- Keep the gas tube and all firearm components out of the reach of children and unauthorized users.
- Inspect the gas tube for any visible damage or defects before installation.
- Use only compatible parts and accessories with your AR15 to avoid malfunctions or safety hazards.
- Follow all local laws and regulations regarding firearm modifications and usage.

Specific Safety Precautions for Use

- Ensure that the gas tube is installed correctly to prevent gas leakage, which can lead to malfunctions.
- Use protective eyewear while handling and installing the gas tube to protect against potential debris.
- Do not attempt to modify the gas tube or its components, as this may compromise safety and reliability.
- Always consult a qualified gunsmith if you are unsure about the installation process or compatibility with your firearm.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and components, including the GTS AR15 Gas Tube and rollpin.
- Ensure your workspace is clean and welllit.

2. Installation Steps

- **Unload the Firearm:** Ensure that the firearm is completely unloaded.
- **Remove the Existing Gas Tube:** If applicable, carefully remove the existing gas tube from your AR15.
- **Insert the New Gas Tube:** Align the GTS Gas Tube with the gas block and insert it securely.
- **Secure with RollPin:** Use the provided rollpin to secure the gas tube to the gas block. Ensure it is firmly in place.
- **Check Alignment:** Verify that the gas tube is properly aligned and seated to avoid any operational issues.
- **Reassemble the Firearm:** Once the gas tube is installed, reassemble your firearm according to the manufacturer's instructions.

3. PostInstallation Check

- Perform a function check of your firearm to ensure everything operates correctly.
- Look for any signs of gas leakage during operation.

Disposal Instructions

- Dispose of the GTS AR15 Gas Tube in accordance with local regulations for metal recycling.
- Do not dispose of any firearm components in regular household waste.

Contact Information for Further Support

For safety inquiries or further support regarding the GTS AR15 Gas Tube, please refer to the manufacturer's contact details provided with your product.

Thank you for your attention to these safety instructions. Your safety and the reliability of your firearm are our top priorities.
