Safety Instruction Guide for GTS AR15 Gas Tube

Introduction

Thank you for choosing the GTS AR15 Gas Tube. This guide provides essential safety instructions and information to ensure the safe and effective use of your gas tube. Please read all instructions carefully before installation and use.

General Safety Guidelines

- Ensure that you are familiar with the operation of your AR15 before using the gas tube.
- Always handle firearms with care and follow the basic rules of firearm safety.
- Use the gas tube only for its intended purpose with compatible AR15 models.
- Inspect the gas tube for any signs of damage or wear before installation.
- Store the gas tube in a safe, dry place away from children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not attempt to modify the gas tube or use it in any way other than as intended.
- Ensure that the gas block and gas tube are properly aligned to avoid malfunctions.
- Do not exceed the manufacturer's recommended specifications for your firearm.
- Always wear appropriate eye and ear protection when shooting.
- Keep your firearm pointed in a safe direction at all times.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a rollpin punch and hammer.
- Ensure your firearm is unloaded and in a safe condition before beginning installation.

2. Installation:

- Remove the existing gas tube (if applicable) from your AR15.
- Align the new GTS AR15 Gas Tube with the gas block.
- Insert the rollpin provided with the gas tube into the designated hole to secure the connection.
- Use a hammer and punch to gently tap the rollpin into place, ensuring it is flush with the surface of the gas block.
- Doublecheck that the gas tube is securely attached and properly aligned.

3. Usage:

- After installation, conduct a function check to ensure that the gas system operates correctly.
- When ready to shoot, load your firearm as per the manufacturer's instructions and proceed with caution.
- Regularly inspect the gas tube and gas block for any signs of wear or damage during routine maintenance.

Disposal Instructions

- Dispose of the gas tube responsibly at a local recycling center or as per local regulations for metal waste.
- Ensure that any packaging or materials associated with the gas tube are disposed of in accordance with environmental guidelines.

Contact Information for Further Support

For any inquiries or concerns regarding the GTS AR15 Gas Tube, please refer to your retailer or the manufacturer's website for further assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your GTS AR15 Gas Tube. Thank you for your attention to these important guidelines.
