

# XRS Complete Chassis System Savage - MDT XRS CHASSIS Savage LA CIP BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The XRS Chassis is designed for shooters that want the fit and feel of a traditional shaped rifle stock with the benefits of a modern precision rifle chassis system. Each XRS Chassis is constructed from a full-length CNC machined core of 6061 aircraft grade aluminum wearing high strength textured polymer panels for insulation from the elements. The precision aluminum V-block bedding system ensures fit and function to maximize the accuracy of any rifle action. The XRS Chassis features a replaceable over molded and textured grip system, with both an angled grip and a vertical grip included in box.

AVAILABLE

The XRS Chassis is the most advanced and configurable crossover stock on the market and is the ideal performance upgrade for any factory rifle or foundation for a custom rifle build. Weighing in at 1,7kg (depending on inlet), the XRS is ideal for both hunting or target rifles. The XRS features adjustable length of pull via spacers from 13.25" to 15+" and a quick adjust cheek piece to adjust for scope height over bore. The XRS accepts standard AICS pattern magazines and has an easy to manipulate ambidextrous magazine latch. The generous 12" long Forend comes with M-LOK slots built in for accessory mounting and attachment of ARCA or picatinny rails.

# Safety Instruction Guide for MDT XRS Complete Chassis System

## Introduction

Thank you for choosing the MDT XRS Complete Chassis System. This guide provides essential safety instructions to ensure the safe use and handling of your new chassis system. Please read this guide carefully and follow all instructions to maximize your safety and the performance of your product.

## General Safety Guidelines

- Ensure that all users of the MDT XRS Chassis are familiar with firearm safety rules and regulations.
- Always treat every firearm as if it is loaded, even if you believe it is not.
- Keep your finger off the trigger until you are ready to shoot.
- Store the chassis system and any attached firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding the use and transportation of firearms and firearm accessories.

## Specific Safety Precautions for Use

- **Hazard Awareness:** Be aware of potential hazards when using the chassis system, including:
  - Improper installation leading to malfunction.
  - Inadequate maintenance resulting in decreased performance.
  - Failure to use compatible magazines can lead to loading issues.
- **User Responsibility:** Ensure that only trained individuals handle the chassis system and associated firearms.
- **Age Restrictions:** This product is intended for adult use only. Keep out of reach of children.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that you have all components included in the package: chassis, grips, and any necessary tools.
- Follow the manufacturer's instructions for assembling the chassis with your specific rifle model.
- Securely attach the chassis to the rifle action, ensuring that the Vblock bedding system is properly aligned.

### 2. Usage:

- Adjust the length of pull using the spacers provided. The chassis can be adjusted from 13.25" to 15+".
- Use the quickadjust cheek piece to accommodate for scope height over bore.
- Load the rifle using standard AICS pattern magazines. Ensure the magazine is properly seated in the chassis.
- When using the chassis for target shooting or hunting, always ensure that the area is safe and clear of bystanders.

### 3. Maintenance:

- Regularly clean the chassis and inspect for any signs of wear or damage.

- Ensure that the polymer panels and aluminum components remain free from dirt and debris.
- If any components appear damaged, discontinue use immediately and contact a qualified technician.

## **Disposal Instructions**

- Dispose of the chassis system in accordance with local regulations.
- For recycling, separate materials as follows:
  - Aluminum components can typically be recycled with metals.
  - Polymer panels may need to be disposed of as general waste, depending on local recycling guidelines.
- Ensure that any firearm components are handled according to local laws regarding firearm disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT XRS Complete Chassis System, please refer to the manufacturer's contact information provided in the product packaging or on the official website. It is important to have access to customer support for any safety inquiries or product issues.

By following the safety guidelines and instructions outlined in this document, you can ensure a safe and enjoyable experience with your MDT XRS Complete Chassis System. Always prioritize safety and responsible handling of firearms and accessories. Thank you for your attention to these important safety measures.
