

# Shooting Bag Grand old Canister Git-Lite - Shooting Bag Grand old Canister Medium Git-Lite (Coyote)

[Home](#)

Drawing inspiration from the storied equine hero, Grand Old Canister, these shooting bags offer solid support and flexibility for the modern marksman. With a nod to the past, they bring dependable stability to your shooting practice. Whether in a steady stance or navigating the demands of varied terrain, these bags, named after General Sickles' trusted warhorse, are built to enhance your shooting experience, ensuring that each shot is as steady as the last.

Echoing the battle-tested durability of its namesake, each Grand Old Canister bag is made from the robust 500D Cordura. They are designed to face the elements with a resilience that harkens back to the reliability of a storied warhorse.

Personalize your shooting rest with the choice of Git-Lite or regular fill, easily adjustable through a Velcro opening. The medium size features a hand strap for secure handling, while both sizes offer ample support for precision shooting.

# Safety Instruction Guide for Shooting Bag Grand Old Canister GitLite

## Introduction

Thank you for choosing the Shooting Bag Grand Old Canister GitLite. This guide provides essential safety instructions to ensure the safe use and enjoyment of your shooting bag. Please read and follow these guidelines carefully to prevent accidents and ensure a safe shooting experience.

## General Safety Guidelines

- Always use the shooting bag in a safe and controlled environment.
- Ensure that the shooting area is clear of unauthorized personnel and obstacles.
- Familiarize yourself with the shooting bag's features and functions before use.
- Keep the shooting bag away from children and vulnerable individuals.
- Regularly inspect the shooting bag for any signs of wear or damage.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Proper Handling:** Always use the hand strap provided on the medium size bag for secure handling. Ensure a firm grip to prevent accidental drops.
- **Stable Surface:** Use the shooting bag on a stable and level surface to maintain balance and prevent tipping.
- **Avoid Overloading:** Do not exceed the recommended weight limit for the shooting bag. Overloading may compromise stability and safety.
- **Weather Conditions:** Be cautious when using the shooting bag in adverse weather conditions. Ensure that the bag is dry and free from moisture to maintain grip and stability.
- **Personal Protective Equipment:** Always wear appropriate personal protective equipment (PPE) when shooting, including eye and ear protection.

## Instructions for Installation and Usage

### 1. Setup:

- Place the shooting bag on a flat, stable surface.
- Ensure that the bag is positioned securely before placing any equipment on it.

### 2. Adjusting the Fill:

- To personalize your shooting rest, open the Velcro opening carefully.
- Adjust the fill to your desired level, whether using GitLite or regular fill.
- Ensure that the Velcro is securely closed after adjustments.

### 3. Using the Hand Strap (for medium size):

- Grasp the hand strap firmly to carry the bag.
- Ensure that the strap is securely attached before use.

### 4. Shooting Practice:

- Position your firearm securely on the shooting bag.
- Take your time to aim and stabilize your shot using the bag for support.

- Avoid sudden movements that may disturb the stability of the bag.

## Disposal Instructions

- Dispose of the shooting bag responsibly.
- If the bag is damaged beyond repair, consider recycling the materials where possible.
- Follow local regulations for the disposal of textile products.
