

Shooting Bag Grand old Canister House Fill - Shooting Bag Grand old Canister Large House Fill (Multicam)

[Home](#)

Drawing inspiration from the storied equine hero, Grand Old Canister, these shooting bags offer solid support and flexibility for the modern marksman. With a nod to the past, they bring dependable stability to your shooting practice. Whether in a steady stance or navigating the demands of varied terrain, these bags, named after General Sickles' trusted warhorse, are built to enhance your shooting experience, ensuring that each shot is as steady as the last.

Echoing the battle-tested durability of its namesake, each Grand Old Canister bag is made from the robust 500D Cordura. They are designed to face the elements with a resilience that harkens back to the reliability of a storied warhorse.

Personalize your shooting rest with the choice of Git-Lite or regular fill, easily adjustable through a Velcro opening. The medium size features a hand strap for secure handling, while both sizes offer ample support for precision shooting.

Shooting Bag Grand Old Canister Safety Instruction Guide

Introduction

Thank you for choosing the Shooting Bag Grand Old Canister. Designed with inspiration from the storied equine hero, these shooting bags provide solid support and flexibility for modern marksmen. This guide is intended to ensure your safety and enhance your shooting experience. Please read the following instructions carefully to understand how to use this product safely and effectively.

General Safety Guidelines

- Ensure that the shooting bag is used only for its intended purpose.
- Always inspect the shooting bag before use for any signs of wear or damage.
- Keep the shooting bag away from children and vulnerable individuals when not in use.
- Store the shooting bag in a dry place to prevent deterioration of materials.
- Report any unsafe conditions or accidents involving the shooting bag to the appropriate authorities.

Specific Safety Precautions for Use

- Do not overload the shooting bag beyond its intended capacity.
- Avoid using the shooting bag in extreme weather conditions that may compromise its integrity.
- When using the shooting bag on uneven terrain, ensure that it is stable to prevent accidents.
- Always maintain a safe distance from others while shooting.
- Use the shooting bag only on solid, flat surfaces when possible.

Instructions for Installation and Usage

1. Unpacking the Shooting Bag

- Carefully remove the shooting bag from the packaging.
- Inspect for any damage or missing parts.

2. Personalization of Fill

- Choose between GitLite or regular fill for your shooting bag.
- Adjust the fill through the Velcro opening to achieve your desired weight and firmness.

3. Using the Hand Strap

- For the mediumsized bag, utilize the hand strap for secure handling.
- Ensure the strap is properly adjusted for comfort and control during use.

4. Setting Up for Shooting

- Place the shooting bag on a stable surface.
- Adjust the position of the bag to provide optimal support for your shooting stance.

5. Shooting Practice

- Position your firearm securely on the shooting bag.
- Ensure that the bag remains stable and does not shift during use.

Disposal Instructions

- Dispose of the shooting bag in accordance with local regulations.
- If the bag is damaged beyond repair, consider recycling the materials if possible.
- Do not burn the bag, as this may release harmful substances.
