

# Shooting Bag Traveller House Fill (Coyote)

[Home](#)

Inspired by the steadfast qualities of General Robert E. Lee's legendary horse, the Traveler rear shooting bag is a classic, versatile, and steadfast companion for marksmen on the hunt, at the range, or anywhere in between. A reliable addition to your range day essentials, or a convenient standby in your truck. Choose the fill that fits your lifestyle and shoot with confidence.

Constructed with resilient 500D Cordura, the Traveler withstands the rigors of the outdoors. Wet conditions? It dries to its original state, keeping you ready at all times.

Select from the ultra-light Git-Lite or the traditional House Fill to match your stability needs. Both are designed to provide a solid rest, whether for a precise shot or just bracing your gear.

# Shooting Bag Traveller Safety Instruction Guide

## Introduction

Thank you for choosing the Shooting Bag Traveller. This guide provides important safety information and instructions to ensure your safe and effective use of the product. Please read this guide carefully before using the Shooting Bag Traveller.

## General Safety Guidelines

- Ensure that the Shooting Bag Traveller is used only for its intended purpose as a shooting accessory.
- Always inspect the bag for any damage or wear before use. Do not use if damaged.
- Store the bag in a cool, dry place when not in use to prevent deterioration of materials.
- Keep the bag away from children and vulnerable groups unless supervised by an adult.
- Be aware of your surroundings when using the Shooting Bag Traveller to ensure a safe shooting environment.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Material Safety:** The Shooting Bag Traveller is made from 500D Cordura nylon. Avoid exposure to sharp objects that may puncture or tear the material.
- **Weight Considerations:** Choose the fill option (GitLite or House Fill) that best suits your stability needs and personal comfort. Ensure that the weight is manageable for you during use.
- **Wet Conditions:** If the bag becomes wet, allow it to dry completely before storing. This prevents mold and mildew growth.
- **Handling and Transport:** When transporting the bag, ensure it is securely stored to prevent it from moving around in your vehicle.

## Instructions for Installation and Usage

### 1. Choosing the Fill:

- Decide between GitLite for ultralightweight needs or House Fill for traditional stability.

### 2. Setting Up the Bag:

- Place the Shooting Bag Traveller on a stable surface or shooting rest.
- Adjust the positioning of the bag to achieve the desired height and angle for your shooting stance.

### 3. Using the Bag:

- Rest your firearm securely on the bag, ensuring it is stable before taking a shot.
- Use the bag to brace your gear if not shooting, ensuring it is positioned to prevent any accidental movement.

### 4. After Use:

- Clean the bag with a damp cloth to remove any dirt or debris.
- Allow the bag to air dry completely before storing it.

## Disposal Instructions

- Dispose of the Shooting Bag Traveller in accordance with local regulations regarding textile and synthetic

materials.

- If the bag is damaged beyond repair, consider recycling options for the materials if available.

## Contact Information for Further Support

For any safety inquiries or additional support regarding the Shooting Bag Traveller, please refer to the EU contact point or appropriate consumer safety authorities in your area.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our priorities. Enjoy your shooting experience with the Shooting Bag Traveller!
