

AK Sling Mount

[Rifle Parts](#) > [Receiver Parts](#) > [Recoil Parts](#) > [Recoil Buffers](#)

Our Tactical AK Sling Mount, a top-tier accessory for AK-style rifles. Proudly made in Ukraine and engineered for durability and ease of use, this sling mount is the perfect addition for any enthusiast looking to enhance their AK rifle setup.

Optimal Positioning: Ideally placed between the pistol grip and receiver, this mount ensures a balanced firearm carry and swift shoulder transitions, offering ergonomic benefits in various shooting situations.

Durable Steel Construction: Constructed with premium-grade steel, this mount is built to endure intense usage and challenging environments, guaranteeing lasting reliability and performance.

Proudly Made in Ukraine: Emphasizing quality craftsmanship, this mount is manufactured in Ukraine, showcasing exceptional engineering and design.

Universal Compatibility: Designed to fit a wide range of AK rifles, this mount integrates seamlessly with your firearm, requiring no extensive modifications.

Effortless Installation: The mount can be easily and securely attached between the pistol grip and receiver, requiring minimal tools, suitable for both gunsmiths and DIY enthusiasts.

Streamlined Design: Its low-profile design minimizes snagging, facilitating smooth movement, perfect for tactical movements and dynamic shooting.

Flexible Sling Attachment: Compatible with various sling styles, the mount offers versatility to use your preferred sling, whether a single-point or two-point configuration.

AK Sling Mount Safety Instruction Guide

Introduction

Thank you for choosing the AK Sling Mount, a highquality accessory designed for AKstyle rifles. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual carefully before installation and use to maximize safety and performance.

General Safety Guidelines

- Ensure the AK Sling Mount is only used with compatible AKstyle rifles.
- Always handle firearms with care and follow all local laws and regulations regarding firearm use.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sling mount for any signs of wear or damage.
- Do not exceed the weight limit of the sling mount to prevent failure during use.
- In case of any malfunction or damage, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Before attaching the sling mount, ensure the firearm is unloaded and pointed in a safe direction.
- Only use slings that are compatible with the AK Sling Mount to avoid accidents.
- Be aware of your surroundings when using the firearm with the sling mount, especially in crowded or confined areas.
- Use the sling mount to maintain a proper grip and control of the firearm during use.
- Avoid sudden movements that may cause the firearm to shift unexpectedly while using the sling mount.

Instructions for Installation and Usage

Installation Steps

1. **Prepare Your Firearm:** Ensure your AKstyle rifle is unloaded and the safety is engaged.
2. **Locate the Installation Area:** Identify the area between the pistol grip and receiver where the sling mount will be installed.
3. **Align the Sling Mount:** Position the sling mount to align with the mounting points on your rifle.
4. **Secure the Sling Mount:** Using the appropriate tools, securely attach the sling mount to the rifle. Ensure it is tightly fastened to prevent movement during use.
5. **Test for Stability:** Once installed, gently pull on the sling mount to check its stability and ensure it is securely attached.

Usage Steps

1. **Attach Your Sling:** Connect your preferred sling (singlepoint or twopoint) to the sling mount.
2. **Adjust the Sling:** Adjust the sling length to ensure a comfortable fit for carrying and aiming.
3. **Practice Transitions:** Familiarize yourself with shoulder transitions while using the sling mount to enhance your shooting experience.
4. **Regular Checks:** Periodically check the sling mount and sling connection for wear and tear during use.

Disposal Instructions

- When disposing of the AK Sling Mount, follow local regulations for the disposal of metal products.
- If the product is damaged beyond repair, consider recycling it at a designated facility to minimize environmental impact.

Contact Information for Further Support

For any inquiries regarding safety, installation, or usage of the AK Sling Mount, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using your AK Sling Mount responsibly.
