

Metal Magazine 300 WSM - 5 Round Metal Magazine 300 WSM / 6.5PRC

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

MDTs metal magazine incorporates a distinctive double-stacked single-feed (DSSF) system, resulting in a shorter magazine with enhanced capacity and smooth feeding. This design offers additional clearance, reduces snagging, and even trims weight. Experience improved maneuverability and convenience for a superior shooting experience, regardless of your location.

Crafted from nitrided steel for durability and corrosion resistance, it can withstand harsh treatment and still deliver flawless performance. With adjustable feed lips ensuring reliable feeding, you can shoot with unwavering confidence, regardless of the prevailing conditions. This magazine is designed to endure and excel.

Metal Magazine 300 WSM Safety Instructions

Introduction

Thank you for choosing the Metal Magazine 300 WSM. This product is designed for enhanced shooting performance and reliability. To ensure safe usage and maintenance, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the magazine is compatible with your firearm before use.
- Always handle firearms and magazines with care, treating them as if they are loaded.
- Store the magazine in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the magazine for signs of wear, damage, or corrosion.
- Never attempt to modify or disassemble the magazine.

Specific Safety Precautions for Use

- Use only approved ammunition specified for the Metal Magazine 300 WSM.
- Avoid using the magazine in extreme weather conditions that may affect performance.
- Do not exceed the magazine's capacity of 5 rounds.
- Always ensure the firearm is pointed in a safe direction when loading or unloading the magazine.
- If the magazine does not feed properly, stop using it and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before installing the magazine.
- Align the magazine with the magazine well of the firearm.
- Press the magazine firmly until it clicks into place.
- Ensure the magazine is securely attached before proceeding.

2. Usage:

- Load the magazine by inserting rounds from the top, ensuring they are seated properly.
- Check that the feed lips are adjusted correctly for reliable feeding.
- When ready to fire, ensure the firearm is in a safe condition.
- After firing, remove the magazine by pressing the magazine release button and pulling the magazine out.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- Do not dispose of the magazine in regular household waste.
- If the magazine is damaged or no longer usable, contact a local recycling center for proper disposal options.

Contact Information for Further Support

For any safety inquiries or support regarding the Metal Magazine 300 WSM, please refer to the manufacturer's contact information provided with your product.

By following these safety instructions, you can ensure a safe and enjoyable shooting experience with your Metal

Magazine 300 WSM. Always prioritize safety and responsible handling of firearms and accessories.
