

ACC Elite Chassis System Remington 700 LA CIP 3.850 RH BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT ACC Elite ensures that top-tier shooters reach the podium. This is a perfect fusion of design, engineering, and industry expertise. The end result, a competition chassis that outperforms anything to date.

Unmatched balance, recoil control, weight management, and utility, allow elite shooters to shave seconds off stage times and get more rounds on target.

Achieve instinctual point-and-shoot control through perfect balance. Elite shooters will find targets faster and be more precise. The updated forend and buttstock allow for modular weight adjustment and fine-tuning your balance point. Turn your rifle into a finely tuned precision tool.

The MDT ACC Elite creates the perfect rifle/shooter interaction. The MDT SRS-X Elite Buttstock incorporates improved geometry for better fit and recoil management. Our MDT Vertical Grip Elite with Backbar and adjustable M-LOK Thumb Rest adjust to fit with precise comfort. The magwell and latch is adjustable to operate flawlessly with top-tier actions, removing any “slop” from the magwell.

Safety Instruction Guide for MDT ACC Elite Chassis System Remington 700 LA

Introduction

Thank you for choosing the MDT ACC Elite Chassis System for your Remington 700 LA. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before using the chassis system.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as a rifle chassis.
- Always handle firearms with care and follow standard safety protocols.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage before use.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Firearm Compatibility:** Ensure your rifle is compatible with the MDT ACC Elite Chassis System. Consult the manufacturer's specifications if unsure.
- **Weight Management:** Adjust the weight of the chassis according to your shooting preferences. Improper weight distribution may affect balance and control.
- **Recoil Management:** Be aware of how the chassis system affects recoil. Practice with the system to understand its handling characteristics.
- **Modular Adjustments:** When making adjustments to the forend and buttstock, ensure all components are securely fastened to prevent accidents.
- **Grip and Control:** Familiarize yourself with the MDT Vertical Grip Elite and its adjustments. Proper grip is essential for safe operation.

Instructions for Installation and Usage

1. Installation:

- Read all instructions carefully before beginning the installation.
- Ensure you have all necessary tools and components before starting.
- Follow the steps below for installation:
 1. Remove the existing stock from your Remington 700 LA.
 2. Align the MDT ACC Elite Chassis with the action of the rifle.
 3. Securely attach the chassis using the provided screws, ensuring no movement occurs.
 4. Adjust the forend and buttstock to your desired configuration.
 5. Check that all components are tight and secure before proceeding.

2. Usage:

- Always ensure the firearm is unloaded before attaching or detaching the chassis.
- Practice using the chassis in a safe environment before engaging in competitive shooting.
- Maintain proper shooting posture to enhance stability and control.
- Regularly check the chassis for any signs of looseness or wear during use.

Disposal Instructions

- Dispose of the chassis system in accordance with local regulations regarding metal and aluminum recycling.
- Do not dispose of the product in regular household waste.
- Ensure all components are cleaned and free of any hazardous materials before disposal.

Contact Information for Further Support

For any safety inquiries or support regarding the MDT ACC Elite Chassis System, please contact your local MDT representative or authorized dealer. They can provide assistance and further information to ensure safe usage of your product.

By following these guidelines, you can ensure a safe and enjoyable experience with your MDT ACC Elite Chassis System. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important instructions.
