

ACC Elite Chassis System Remington 700 LA CIP 3.850 RH TBL

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT ACC Elite ensures that top-tier shooters reach the podium. This is a perfect fusion of design, engineering, and industry expertise. The end result, a competition chassis that outperforms anything to date.

Unmatched balance, recoil control, weight management, and utility, allow elite shooters to shave seconds off stage times and get more rounds on target.

Achieve instinctual point-and-shoot control through perfect balance. Elite shooters will find targets faster and be more precise. The updated forend and buttstock allow for modular weight adjustment and fine-tuning your balance point. Turn your rifle into a finely tuned precision tool.

The MDT ACC Elite creates the perfect rifle/shooter interaction. The MDT SRS-X Elite Buttstock incorporates improved geometry for better fit and recoil management. Our MDT Vertical Grip Elite with Backbar and adjustable M-LOK Thumb Rest adjust to fit with precise comfort. The magwell and latch is adjustable to operate flawlessly with top-tier actions, removing any “slop” from the magwell.

Safety Instructions for ACC Elite Chassis System Remington 700 LA

Introduction

Thank you for choosing the ACC Elite Chassis System for the Remington 700 LA. This product is designed for elite shooters seeking precision and performance. To ensure your safety and the optimal use of this chassis system, please read the following safety instructions carefully.

General Safety Guidelines

- Ensure safe use of the ACC Elite Chassis System by following all safety instructions.
- Be aware of potential hazards associated with firearms and their accessories.
- Always handle firearms with care, treating them as if they are loaded.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Keep the chassis system and all related accessories out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Inspect the chassis system before each use to ensure it is free of defects or damage.
- Do not modify the chassis system in any way that could compromise its safety or performance.
- Ensure that all components are securely attached before using the firearm.
- Use only compatible accessories and parts to maintain optimal performance.
- Be mindful of your surroundings and ensure a safe shooting environment.
- Avoid using the chassis system in adverse weather conditions that may affect performance.

Instructions for Installation and Usage

1. Installation:

- Carefully unpack the chassis system from its packaging.
- Inspect all components for any signs of damage.
- Follow the manufacturer's guidelines for installing the chassis system onto the Remington 700 LA.
- Ensure that all screws and fasteners are tightened securely to prevent movement during use.

2. Usage:

- Before using the chassis system, familiarize yourself with its features and adjustments.
- Adjust the forend and buttstock to achieve a comfortable and balanced shooting position.
- Practice with the chassis system in a safe and controlled environment to become accustomed to its handling characteristics.
- Always check the functionality of the magazine well and latch before loading ammunition.
- Maintain a firm grip on the rifle at all times to ensure stability and control.

Disposal Instructions

- Dispose of the ACC Elite Chassis System and any associated components in accordance with local regulations.
- Do not dispose of the chassis system in household waste.
- Recycle materials where possible to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the ACC Elite Chassis System, please refer to the manufacturer's website or contact their customer support team. Ensure that you have your product details handy for efficient assistance.

Thank you for prioritizing safety while using the ACC Elite Chassis System. Enjoy your shooting experience and aim for excellence!
