Vigilant Hunting Bino Bivy Bag Safety Instructions

Introduction

Thank you for choosing the Vigilant Hunting Bino Bivy Bag. This product is designed to enhance your hunting experience by providing a comfortable and secure way to carry your binoculars and rangefinders. Please read this safety instruction guide carefully to ensure safe use and proper handling of your product.

General Safety Guidelines

- Always inspect the product before use for any signs of damage or wear.
- Ensure that the bag is properly secured before moving to prevent loss of equipment.
- Keep the product out of reach of children and pets when not in use.
- Do not overload the bag beyond its intended capacity to avoid strain and potential injury.
- Be aware of your surroundings while using the bag to prevent accidents during outdoor activities.

Specific Safety Precautions for Use

- Use the bag only for its intended purpose of carrying binoculars and rangefinders.
- Ensure that all straps and buckles are securely fastened before use.
- Avoid using the bag in extreme weather conditions without proper protection for your equipment.
- If you notice any unusual wear or damage, discontinue use immediately and contact customer support.
- Do not use the bag while engaging in activities that may lead to falls or accidents, such as climbing or running.

Instructions for Installation and Usage

1. Preparation:

- Open the bag and lay it flat on a stable surface.
- Ensure that the interior compartments are clean and free from debris.

2. Loading Equipment:

- Place your binoculars in the designated compartment, ensuring they are secure.
- Store your rangefinder in the easy access pocket for quick retrieval.
- Adjust the internal dividers if necessary to ensure a snug fit for your equipment.

3. Wearing the Bag:

- Slip the harness over your shoulders and adjust the straps for a comfortable fit.
- Ensure that the bag sits securely against your back and does not obstruct your movement.
- Test the bag's stability by gently moving your body to ensure it remains in place.

4. Using the Bag:

- When you need to access your equipment, unbuckle the harness and carefully retrieve the item.
- Always secure the bag again after use to prevent accidental dropping of your equipment.

5. Storage:

- When not in use, store the bag in a cool, dry place away from direct sunlight.
- Clean the bag with a damp cloth and mild soap as needed, ensuring it is completely dry before

storing.

Disposal Instructions

- Dispose of the bag responsibly by following local regulations for textile waste.
- If the product is damaged beyond repair, consider recycling the materials if possible.
- Do not dispose of the product in regular household waste if it can be recycled or reused.
