

# Helix Bivy Bag - Helix 6000 Bivy Bag

[Shooting Accessories](#) > [Range Gear](#) > [Range Bags](#)

The Helix 6000 is the 2nd piece of the lightweight, expedition-style western hunting system. Designed for multi-day hunts and compatible with the Inception Backpack Frame, the Helix 6000 provides enough storage to carry in all of your essential gear. The bottom of the bag access allows hunters to access gear that has fallen to the bottom of the bag, without unpacking. The durable 420D micro-ripstop shell is water-repellent, puncture-resistant, and rip-proof. Included with the Helix 6000 is a removable Guide Lid (for additional storage), 150D micro-ripstop rain cover, and a detachable gun/bow/DeathGrip carry boot. All the capacity you need, all the included options you can imagine, all the value you expect from BOG

# Helix 6000 Bivy Bag Safety Instruction Guide

## Introduction

Thank you for choosing the Helix 6000 Bivy Bag. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this manual carefully before use to maximize your safety and enjoyment.

## General Safety Guidelines

- Ensure the bivy bag is used only for its intended purpose: as a lightweight shelter for outdoor expeditions.
- Inspect the bivy bag for any signs of damage before each use. Do not use if damaged.
- Keep the bivy bag away from open flames and extreme heat sources to prevent material damage.
- Avoid using the bivy bag in severe weather conditions that exceed its intended use capabilities.
- Store the bivy bag in a cool, dry place when not in use to maintain its integrity and prolong its lifespan.
- Be aware of your surroundings when using the bivy bag, especially in wildlife areas.

## Specific Safety Precautions for Use

- **Water Resistance:** While the bivy bag features a waterrepellent shell, it is not completely waterproof. Avoid prolonged exposure to heavy rain.
- **Temperature Considerations:** The bivy bag is designed for use in various weather conditions. However, ensure you are adequately equipped for extreme temperatures, as the bivy bag alone may not provide sufficient insulation.
- **Weight Limit:** Do not exceed the recommended weight limit for the bivy bag's storage capacity to avoid damage.
- **Children:** Keep the bivy bag out of reach of children when not in use. Ensure adult supervision if children are using the bag.
- **Ventilation:** When using the bivy bag, ensure adequate ventilation to prevent condensation buildup inside.

## Instructions for Installation and Usage

### 1. Setup:

- Choose a flat, dry location to set up the bivy bag.
- Unpack the bivy bag and lay it flat on the ground.
- If using the Guide Lid, attach it securely to the top of the bivy bag as per the provided instructions.

### 2. Accessing Gear:

- Use the bottom access feature to retrieve items without needing to unpack the entire bag.
- Ensure that items are properly secured inside the bag to prevent them from falling out during transport.

### 3. Packing:

- Pack the bivy bag with essential gear only. Avoid overpacking to maintain stability and ease of transport.
- Ensure that the rain cover is securely attached when packing for wet conditions.

### 4. Usage:

- Enter the bivy bag from the designated entry point and ensure it is fully closed to protect against the elements.
- Use the detachable gun/bow/DeathGrip carry boot carefully and ensure it is securely fastened.

## Disposal Instructions

- Dispose of the bivy bag in accordance with local regulations regarding textile waste.
- If the bivy bag is damaged beyond repair, consider recycling the materials where possible.
- Do not burn the bivy bag as it may release harmful substances.

## Contact Information for Further Support

For safety inquiries, product support, or to report unsafe products, please contact the appropriate local authorities or consumer safety organizations.

## Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your Helix 6000 Bivy Bag. Always prioritize safety and be prepared for your outdoor adventures. Thank you for your attention to these important details. Enjoy your journey!
