

Helix Bivy Bag - Helix 3500 Bivy Bag

[Shooting Accessories](#) > [Range Gear](#) > [Range Bags](#)

The lightweight, functional and robust BOG Helix 3500 bag can be attached to the BOG Inception M/L or BOG Inception XL frame, making it the perfect backpack for multi-day hunts.

The BOG Helix 3500 has plenty of room for all the gear you need for a day's hunt.

Convenient access from the bottom of the bag allows hunters to access gear dropped on the ground without having to unpack the entire contents of the bag.

The durable yet lightweight 420D micro ripstop material the bag is made from is quiet, water repellent and tear and puncture resistant.

Helix Bivy Bag Safety Instructions

Introduction

Thank you for choosing the Helix Bivy Bag Helix 3500. This guide provides important safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully before using the bag, and keep it for future reference.

General Safety Guidelines

- Always inspect the bag before use for any signs of damage or wear.
- Ensure all zippers and closures are functioning properly before each use.
- Use the bag only for its intended purpose: as a lightweight backpack for multiday hunts.
- Keep the bag away from sharp objects that may cause tears or punctures.
- Do not overload the bag beyond its capacity to avoid strain or damage.
- Store the bag in a cool, dry place when not in use to prevent mold and mildew.

Specific Safety Precautions for Use

- Be cautious when accessing gear from the bottom of the bag to avoid accidental spills or injuries.
- Ensure the bag is securely attached to the BOG Inception M/L or BOG Inception XL frame before use.
- Avoid using the bag in extreme weather conditions unless it is specifically designed for such use.
- When using the bag in lowlight conditions, be aware of your surroundings to prevent accidents.
- Keep the bag away from fire or open flames, as the materials may be flammable.

Instructions for Installation and Usage

1. Attaching the Bag:

- Align the bag with the BOG Inception M/L or BOG Inception XL frame.
- Securely fasten all straps and buckles to ensure the bag is firmly attached.
- Check that the attachment points are secure before loading any gear.

2. Loading the Bag:

- Open the bag and place your gear inside, distributing weight evenly.
- Do not exceed the recommended weight limit to maintain comfort and safety.
- Utilize the bottom access feature to retrieve items without unpacking the entire bag.

3. Using the Bag:

- Wear the bag with both shoulder straps for balanced weight distribution.
- Adjust the straps for a snug fit to prevent shifting during movement.
- Periodically check the bag and its contents during use for any signs of wear or damage.

Disposal Instructions

- When the bag reaches the end of its usable life, dispose of it responsibly.
- Check local regulations for proper disposal methods of textile materials.
- Consider recycling options if available in your area to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries, please refer to the EUbased contact point provided by the manufacturer. Additionally, you can check for product recalls and safety alerts on the EU's Safety Gate platform.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Helix Bivy Bag Helix 3500. Thank you for your attention to these guidelines.
