XL Strap Plate Hanger Set Safety Instructions

Introduction

Thank you for choosing the XL Strap Plate Hanger Set by Caldwell. This product is designed to provide a secure and adjustable solution for hanging Caldwell's AR500 steel targets. To ensure your safety and the optimal performance of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always ensure the product is used in accordance with the manufacturer's instructions.
- Inspect the product before each use for any signs of wear or damage.
- Ensure that the area around the target is clear of bystanders and obstacles.
- Use the product only for its intended purpose.
- Keep out of reach of children and vulnerable individuals.
- Familiarize yourself with the local laws and regulations regarding the use of targets and shooting activities.

Specific Safety Precautions for Use

- Ensure that the straps are securely attached before use.
- Do not exceed the weight limits specified for the straps.
- Avoid placing the target in areas where ricochets may pose a danger to people or property.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Regularly check the integrity of the straps and the target setup during use.

Instructions for Installation and Usage

1. Installation:

- Choose a suitable location for the target, ensuring it is clear of obstacles and bystanders.
- Attach the XL Target Straps to the AR500 steel target according to the manufacturer's guidelines.
- Adjust the straps to the desired height, ensuring they are securely fastened.

2. Usage:

- Before shooting, doublecheck that the target is securely hung and that the area is safe.
- Use appropriate firearms and ammunition as specified for the target.
- After shooting, inspect the straps and target for any damage before the next use.

Disposal Instructions

- Dispose of any damaged or worn straps in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials. Check local regulations for proper disposal methods.
