# Velociradar Tripod Safety Instructions

## Introduction

Thank you for choosing the Velociradar Tripod. This product is designed to enhance your experience with the VelociRadar chronograph, providing a stable and adjustable platform for accurate shot tracking. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the tripod is set up on a stable and flat surface to prevent tipping or instability.
- Always check the tripod for any signs of damage or wear before use. Do not use a damaged tripod.
- Keep the tripod away from children and pets to avoid accidents.
- Use the tripod only for its intended purpose: to support the VelociRadar chronograph.
- Do not attempt to modify the tripod or use it in ways not specified in the instructions.

## Specific Safety Precautions for Use

- Always secure the VelociRadar chronograph properly on the tripod's ball head to prevent it from falling.
- Avoid placing heavy objects on the tripod to maintain stability.
- Do not exceed the weight limit specified by the manufacturer for the tripod.
- When adjusting the height of the tripod, ensure that all locking mechanisms are securely engaged.
- Be cautious of your surroundings when using the tripod, especially in shooting ranges, to ensure safety from stray bullets or projectiles.

## Instructions for Installation and Usage

### 1. Unfolding the Tripod:

- Carefully remove the tripod from its packaging.
- Unfold the legs of the tripod until they are fully extended and locked into place.

### 2. Adjusting the Height:

- Locate the height adjustment locks on each leg.
- Release the locks and adjust the legs to the desired height.
- Ensure that the locks are reengaged to secure the height.

### 3. Attaching the VelociRadar Chronograph:

- Place the VelociRadar chronograph onto the ball head of the tripod.
- Use the tightening mechanism to secure the chronograph in place.
- Check that the chronograph is centered and stable before use.

### 4. Using the Tripod:

- Position the tripod at the desired location on the shooting range or ground.
- Ensure that the tripod is stable and all legs are firmly on the ground.
- Begin using the VelociRadar chronograph according to its user manual.

### 5. Packing Up:

- After use, carefully remove the VelociRadar chronograph from the tripod.
- Collapse the tripod by releasing the leg locks and folding the legs back together.
- Store the tripod in a safe, dry place away from direct sunlight.

## Disposal Instructions

- Dispose of the Velociradar Tripod in accordance with local regulations for waste disposal.
- If the tripod is no longer usable, consider recycling it if possible.
- Do not dispose of the tripod in regular household waste if it contains any electronic components.

## Contact Information for Further Support

For any questions or concerns regarding the Velociradar Tripod, please refer to the manufacturer's contact information provided in the product packaging. It is important to reach out to a designated EU contact for safety inquiries and support.

Thank you for your attention to these safety instructions. Enjoy your experience with the Velociradar Tripod!
