Safety Instruction Guide for Frankford Arsenal Dielocker Die Lock Rings w/ Wrench 3Pk

Introduction

Thank you for choosing the Frankford Arsenal Dielocker Die Lock Rings with Wrench. This product is designed to enhance your reloading experience safely and efficiently. Please read this safety instruction guide carefully to ensure proper usage and compliance with safety standards.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- In case of any malfunction or damage, discontinue use immediately and seek assistance.
- Always follow local laws and regulations regarding reloading and ammunition.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as safety glasses and gloves, when using the Dielocker Die Lock Rings.
- Ensure that the work area is wellventilated and free from flammable materials.
- Do not exceed the recommended torque settings when tightening the lock rings.
- Avoid using excessive force when adjusting or installing the lock rings to prevent damage.
- Keep hands and other body parts clear of moving parts during operation.

Instructions for Installation and Usage

1. Installation

- Gather all necessary tools, including the provided wrench.
- Ensure that your reloading die is clean and free from debris.
- Slide the Dielocker Die Lock Ring onto the reloading die.
- Position the lock ring at the desired height for your reloading process.
- Use the wrench to tighten the lock ring securely, ensuring it is snug but not overly tight.

2. Usage

- After installation, doublecheck that the lock ring is securely fastened before using the reloading die.
- Follow the specific instructions for your reloading equipment to ensure compatibility.
- Maintain a clean and organized workspace to minimize the risk of accidents.
- Regularly check the lock ring during use to ensure it remains secure.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling any metal components where possible.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the Frankford Arsenal Die Locker Die Lock Rings w/ Wrench, please contact the manufacturer directly. They can provide additional support and information.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable reloading experience with the Frankford Arsenal Die Locker Die Lock Rings. Always prioritize safety and adhere to the guidelines provided in this manual. Thank you for your attention to safety and for choosing Frankford Arsenal products.
