

Professional Screwdriver Set - 100 Piece Professional Screwdriver Set

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Gunsmithing Tool Kits](#)

Look no further for the ultimate screwdriver set. The Wheeler 100 Piece Professional Screwdriver Set is the perfect addition to any tool box or work bench. Our largest bit assortment includes SAE/Metric nut drivers, hollow-ground flats, Phillips, Torx, SAE/Metric Hex bits, and more. Short and extended driver handles allow for multiple applications, while their texturized rubber handles create a comfortable, secure grip. The entire kit is organized in a custom molded case so the perfect bit is easy to find.

Professional Screwdriver Set 100 Piece Safety Instructions

Introduction

Thank you for choosing the Wheeler 100 Piece Professional Screwdriver Set. This comprehensive tool kit is designed to provide you with a variety of screwdrivers for multiple applications. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always inspect the screwdriver set before use. Check for any visible damage or defects.
- Use the correct screwdriver for the specific type of screw to prevent damage to the screw and the tool.
- Keep the screwdriver set out of reach of children and vulnerable individuals.
- Ensure that your work area is clean and welllit to avoid accidents.
- Wear appropriate personal protective equipment (PPE) such as safety goggles and gloves when necessary.
- Do not use the screwdrivers for purposes other than their intended use.

Specific Safety Precautions for Use

- Avoid using screwdrivers with damaged or worn tips, as this can lead to slipping and injury.
- Do not apply excessive force when using screwdrivers, as this can cause the tool to break or slip.
- When using extended driver handles, ensure that they are securely attached to the driver bit.
- Store the screwdriver set in its custom molded case to prevent loss and damage.
- Be cautious of sharp edges and points on the screwdrivers.

Instructions for Installation and Usage

1. Selecting the Right Bit:

- Choose the appropriate bit for the screw type (e.g., Phillips, flat, Torx).
- Ensure the bit is securely attached to the driver handle before use.

2. Using the Screwdriver:

- Hold the screwdriver firmly by the handle.
- Align the screwdriver tip with the screw head.
- Turn the screwdriver in the direction indicated (clockwise to tighten, counterclockwise to loosen).
- If resistance is met, stop and reassess to avoid damaging the screw or tool.

3. After Use:

- Clean the screwdrivers with a dry cloth to remove any debris or moisture.
- Return the screwdrivers to their designated slots in the molded case for safe storage.

Disposal Instructions

- Dispose of any broken or damaged screwdrivers in accordance with local regulations.
- Recycle packaging materials where possible, following local recycling guidelines.

Contact Information for Further Support

For any safety inquiries or further support regarding the Wheeler 100 Piece Professional Screwdriver Set, please consult the manufacturer's contact information provided with your product packaging.

By following these safety instructions, you can ensure a safe and effective experience with your Wheeler 100 Piece Professional Screwdriver Set. Thank you for your attention to safety and for choosing our product.
