Professional Screwdriver Set 36 Piece Spacesaver Screwdriver Set Safety Instructions

Introduction

Thank you for choosing the Wheeler 36 Piece Spacesaver Screwdriver Set. This comprehensive tool kit is designed for a variety of household tasks, providing you with the necessary bits for different types of screws. To ensure your safety and the longevity of this product, please read and follow the safety instructions carefully.

General Safety Guidelines

- Always use the screwdriver set according to the manufacturer's instructions.
- Inspect tools before use to ensure they are in good condition.
- Keep the screwdriver set out of reach of children and pets.
- Do not use damaged or worn tools.
- Store the screwdriver set in a secure location to prevent accidents.
- Be aware of your surroundings when using the screwdriver set to avoid injuries.

Specific Safety Precautions for Use

- Ensure that the bit you are using is compatible with the screw type.
- Do not apply excessive force when using the screwdriver, as this may cause damage to the tool or the screw.
- Use the screwdriver in a welllit area to enhance visibility and accuracy.
- Avoid using the screwdriver set for any purpose other than its intended use.
- When using the magnetized tip, be cautious of small metal objects that may become attracted to it.

Instructions for Installation and Usage

1. Selecting the Right Bit:

- Choose the appropriate bit (SAE or Metric Hex, Torx, Phillips, or Flat) for the screw you are working with.

2. Attaching the Bit:

- Insert the selected bit into the 0.25in drive handle until it clicks into place.

3. Using the Screwdriver:

- Grip the handle firmly using the texturized rubber grip.
- Turn the screwdriver clockwise to tighten a screw and counterclockwise to loosen a screw.

4. Changing Bits:

- To change bits, simply pull the current bit out of the handle and insert the new bit until it clicks into place.

5. Cleaning and Maintenance:

- After use, wipe the bits and handle with a dry cloth to remove dust and debris.
- Store the screwdriver set in a cool, dry place.

Disposal Instructions

- Dispose of the screwdriver set responsibly.
- If the product is no longer usable, check local regulations for proper disposal methods.
- Recycle any metal parts if possible.
