

30 Piece Hex/Torx Benchtop Screwdriver Set

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Gunsmithing Tool Kits](#)

Experience unmatched convenience and organization in your workspace with the Wheeler 30 Piece Hex/Torx Benchtop Screwdriver Set. Engineered to be an all-in-one tool assortment, this comprehensive collection contains 10 SAE Hex, 10 Metric Hex and 10 Torx screwdrivers to cover a wide range of common fasteners, guaranteeing you have the right tool for the job. Features include color-coded handles and markings offering quick identification of each screwdriver type and size, ensuring you spend less time searching for the right tool. Textured, rubber over-molded handles fit comfortably in the hand, increasing grip while reducing hand strain. The black phosphate-coated shafts protect against rust and corrosion, giving you peace of mind that your tools will be long-lasting and look great on your bench for years to come. The sturdy benchtop stand ensures that your tools stay organized, preventing tool loss and time spent looking for misplaced tools. The versatile 3-piece modular stand not only keeps the tools organized but also detaches for ultimate portability.

Safety Instruction Guide for the 30 Piece Hex/Torx Benchtop Screwdriver Set

Introduction

Thank you for choosing the Wheeler 30 Piece Hex/Torx Benchtop Screwdriver Set. This guide provides essential safety information to ensure the safe use and longevity of your tools. Please read this guide carefully before using the product to maximize safety and efficiency.

General Safety Guidelines

- Always inspect tools before use for any signs of damage or wear.
- Use the correct screwdriver size for the fastener to prevent stripping or damaging the fastener.
- Keep the work area clean and welllit to avoid accidents.
- Store tools in a dry place to prevent rust and corrosion.
- Keep the tools out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the screwdriver handle is firmly attached to the shaft before use.
- Use tools only for their intended purpose; do not use them for prying or as a lever.
- Wear appropriate personal protective equipment (PPE) such as safety glasses when using tools.
- Avoid using tools in wet or damp conditions to reduce the risk of electrical hazards.
- Do not use excessive force when turning screws; apply steady pressure for best results.
- Be aware of your surroundings and avoid distractions while using the tools.

Instructions for Installation and Usage

1. Preparation:

- Select the appropriate screwdriver from the set based on the fastener type (SAE Hex, Metric Hex, or Torx).
- Ensure your work surface is stable and clear of obstructions.

2. Using the Screwdrivers:

- Align the screwdriver tip with the fastener head.
- Apply gentle pressure and turn the screwdriver clockwise to tighten or counterclockwise to loosen.
- If resistance is met, reassess the tool size or check for crossthreading.

3. PostUse Care:

- Clean the screwdrivers after use to remove dirt and debris.
- Store the screwdrivers in the provided benchtop stand to keep them organized and secure.

Disposal Instructions

- Dispose of any damaged or wornout screwdrivers according to local regulations.
- Do not dispose of tools in regular household waste; check for recycling programs in your area.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of this product, please refer to the manufacturer's contact details provided with your product packaging.

Thank you for ensuring a safe and effective experience with your Wheeler 30 Piece Hex/Torx Benchtop Screwdriver Set. Your safety is our priority.
