One standout feature that distinguishes the Field Stock is its aluminum v-block bedding system, which significantly enhances accuracy by providing a stable and secure foundation for your rifle's action. Furthermore, the ingenious free-floating barrel design further elevates precision, instilling the confidence you need to consistently hit your target.

For enthusiasts of long-range shooting, the adjustable buttstock delivers a customizable experience, ensuring your comfort during extended shooting sessions. Bid farewell to discomfort and usher in a new era of shooting performance.

The Field Stock offers extensive configurability, making it suitable for a wide range of shooting disciplines. It comes equipped with sling swivel studs for added convenience, while the M-LOK forend opens up a world of possibilities for personalizing your setup with accessories. Whether you're engaged in hunting, competitive shooting, or simply enjoying leisurely long-range target practice, this stock is your all-encompassing solution.

## Introduction

Thank you for choosing the Field Stock CZ 457 RH MDT Chassis. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your rifle stock. Please read this document carefully before using the product.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure you are familiar with all local laws and regulations regarding firearm ownership and usage.
- Store your rifle and accessories in a secure location, away from children and unauthorized users.
- Inspect your equipment regularly for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the aluminum vblock bedding system is properly installed to enhance stability and accuracy.
- Avoid using the rifle stock in adverse weather conditions that may affect performance.
- Always use appropriate ammunition that is compatible with your CZ 457 model.
- When adjusting the buttstock, ensure it is securely locked in place to prevent accidental movement during use.
- Use the sling swivel studs according to the manufacturer's instructions to avoid compromising safety.
- Do not modify the stock or its components without consulting a qualified gunsmith.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Gather all necessary tools and ensure you are in a clean, welllit workspace.
2. **Remove the Existing Stock:** Carefully detach the existing stock from your CZ 457 rifle according to the manufacturer's instructions.
3. **Install the Field Stock:**
  - Align the rifle's action with the aluminum vblock bedding system.
  - Securely fasten the stock to the action using the provided screws.
  - Ensure that all screws are tightened to the manufacturer's specifications.
4. **Adjust the Buttstock:**
  - Loosen the adjustment knob.
  - Set the desired length and height for your comfort.
  - Tighten the knob securely to lock the adjustment in place.
5. **Attach Accessories:** Utilize the MLOK forend to attach any desired accessories, ensuring they do not obstruct the rifle's operation.

### Usage

- Before each use, perform a safety check to ensure that the rifle is unloaded and that the stock is securely attached.
- Always wear appropriate eye and ear protection when shooting.
- Practice safe handling techniques at all times.
- Store the rifle in a safe position when not in use.

## **Disposal Instructions**

- Dispose of the Field Stock in accordance with local regulations.
- If the stock is damaged or no longer usable, consider recycling materials where possible.
